6 PUBLIC QUESTION TIME (15 MINUTES)

Please note:

The Council Meeting is a formal meeting of the Elected Members elected by the Glenorchy community. It is chaired by the Mayor. Public question time is an opportunity in the formal meeting for the public to ask questions of their elected Council representatives about the matters that affect ratepayers and citizens.

In accordance with regulation 36, 37 and 38 (Public question time) Local Government (Meeting Procedures) Regulations 2025, Council will allocate 15 minutes during each Council Meeting to invite members of the public to ask questions relating to the activities of Council.

The following rules and procedures apply to Public Question Time:

1. questions must relate to the activities of Council
2. members of the public are to announce their name and residential address before asking a question (which will be recorded in the minutes)
3. questions are to be put succinctly and in the form of a question, not a comment
4. questions must not be inflammatory, abusive, defamatory, contain a personal attack or otherwise breach any rules of the meeting which have been explained by the Chairperson
5. the Chairperson may limit the number of questions asked by each member of the public in order to ensure that all members of the public wishing to ask questions are given the opportunity within the allocated time
6. the Chairperson will decide the order in which questions are to be asked and may rotate the order between different members of the public if individuals have more than one question to ask
7. the Chairperson may, in their absolute discretion:
   a) refuse to answer a question if the Chairperson deems that it is inappropriate or does not comply with these rules or the rules of the Council meeting, or
   b) take a question 'on notice', in which case the answer will be provided in writing prior the next Council meeting and included on the agenda for the next Council meeting
8. if a question is taken on notice, the Chairperson may request that the member of the public submit their question in writing and may refuse to provide a response if the question is not provided as requested, and
9. the 15 minutes allocated for Public Question Time may be extended at the discretion of the Chairperson at the conclusion of the time period. Council is to publish information relating to Public Question Time, including any additional rules and procedures, on Council's website.

7 PETITIONS/ADDRESSING COUNCIL MEETING

7.1 PETITION: URGENTLY PROVIDE A YOUTH CENTRE AT THE GOLDEN YEARS CLUB OR OTHER SAFELY LOCATED CBD PUBLIC FACILITY NEAR POLICE SUPPORT

Author: Governance Officer (Poorni Wanigasekara)
Legal Officer (Stella Edwards)

Qualified Person: Chief Executive Officer (Emilio Reale)

File Reference: Legal Services

Executive summary

This report presents a petition received by the Chief Executive Officer titled *Urgently provide a Youth Centre at the Golden Years Club or other Safely located CBD public facility near Police support*.

The petition requests that Council:

- urgently establish a Youth and Recreation Centre at 314–316 Main Road, Glenorchy, or another suitable CBD location near police support; and
- hold a public meeting to discuss Council's proposed action to provide a CBD youth centre offering supervised activities and development programs.

The petition has been assessed as complying with the requirements for lodgement under section 57 of the *Local Government Act 1993* and is therefore tabled at this meeting in accordance with section 58.

Following tabling, Council officers will verify the petition's signatories and assess whether the request for a public meeting satisfies the requirements of section 59 of the Act. The petitioner will be given reasonable written notice of when Council will consider the petition.

A further report will be presented to Council within 42 days of the petition being tabled, in accordance with section 60 of the Act. That report will advise Council of the outcome of the section 59 assessment and enable Council to determine what action, if any, is to be taken in response to each part of the petition.

Council currently operates the Glenorchy Youth Hub in the Glenorchy CBD, providing a dedicated and supervised place for young people, together with activities, support and development opportunities. The relevance of this existing service to the action requested in the petition will be addressed in the further report to Council.

Recommendation

That Council:

1. RECEIVE and NOTE the petition titled Urgently provide a Youth Centre at the Golden Years Club or other Safely located CBD public facility near Police support, provided as **Attachment 1**.
2. NOTE that the Chief Executive Officer will assess the petition's request for a public meeting against section 59 of the Local Government Act 1993.
3. NOTE that a further report will be presented to Council within 42 days of the petition being tabled, addressing compliance with section 59 and recommending what action, if any, Council should take in response to each request contained in the petition.

Community Plan Reference	Leading Our Community We responsibly manage our community's resources to deliver what matters most. Transparent and accountable government.
Strategic Plan Reference	Make informed decisions that are open and transparent and in the best interests of our community. Manage compliance and risk in Council and our community through effective systems and processes.
Consultation / Engagement	No community consultation has been undertaken by Council in relation to the tabling of the petition.
Resources	Not applicable
Risk / Legal / Legislative / Reputational	**Statutory obligations** Sections 57 and 58 of the *Local Government Act 1993* govern the receipt and tabling of petitions. Section 59 separately applies where a petition requests a public meeting. The Chief Executive Officer is required to table a compliant petition at the next Ordinary Council Meeting and, where section 59 applies, determine whether the statutory requirements for a public meeting have been met. The petition is being tabled at the 30 November 2026 Ordinary Council Meeting. Verification of the signatories will then be completed and the outcome reported to Council within 42 days. The individual signatories and their electoral status had not been independently verified by Council at the time of preparing this report. No conclusion is therefore made in this report about whether the public meeting threshold has been met. **Risk** **Adopt the recommendation – Low** The recommendation distinguishes between the two requests. It recognises that the substantive outcome sought by the first request has already been achieved through the establishment and operation of the Glenorchy Youth Hub, while preserving the required statutory assessment of the separate request for a public meeting. Some petitioners may remain dissatisfied with the location or operating model of the Youth Hub, but that does not require Council to establish a second facility or relocate the existing service. **Do not adopt the recommendation – Moderate**

	Failure to table the petition or assess the public meeting request in accordance with the Act may expose Council to legal and reputational risk. If Council proposes an alternative course, qualified advice should be obtained before resolving not to follow the statutory process.

Proposal in detail

1. The Chief Executive Officer has received a petition under section 57 of the *Local Government Act 1993* titled *Urgently provide a Youth Centre at the Golden Years Club or other Safely located CBD public facility near Police support*.
2. The petition requests that Council:
    1. urgently establish a Youth and Recreation Centre at 314 - 316 Main Road, Glenorchy, or another suitable CBD public location near police support; and
    2. hold a public meeting to discuss Council's proposed action to provide a CBD youth centre offering supervised activities and development programs.

Statutory process

3. The petition has been assessed as meeting the requirements for lodgement under section 57 of the Act. It is therefore being tabled at the next Ordinary Council Meeting in accordance with section 58.
4. The tabling of the petition does not, of itself, determine the action Council will take in response to the matters raised. Section 60 requires Council, at a meeting held within 42 days after the petition is tabled, to determine what action, if any, is to be taken in respect of the petition.
5. The Chief Executive Officer is also required to give the person who lodged the petition reasonable written notice of when Council will consider it.

Request for a public meeting

6. The petition includes a request that Council hold a public meeting. This request must be assessed separately against section 59 of the Act.
7. Under section 59, Council must hold a public meeting if the petition:
    - complies with the requirements of section 57; and
    - is signed by the lesser of:
        - 5 per cent of the electors enrolled in the municipal area; or
        - 1,000 electors.
8. Council officers will verify the petition's signatories and their status as electors in the Glenorchy municipal area. This verification had not been completed when this report was prepared. Accordingly, no conclusion is currently made about whether the petition meets the statutory threshold for a public meeting.
9. If the petition satisfies section 59, Council will be required to hold a public meeting within 30 days after the meeting at which Council considers the petition under section 60. If the threshold is not met, Council may still resolve to hold a public meeting but will not be legally required to do so.

Existing youth services

10. Council has established and operates the Glenorchy Youth Hub in the Glenorchy CBD. The Hub provides young people with a dedicated and supervised place and delivers activities, engagement, support and development opportunities.
11. The existing Youth Hub is relevant to the petition's request for Council to establish a CBD youth centre. However, the purpose of the present report is to table the petition rather than to determine finally whether the existing service fully addresses the action requested.
12. The existing Youth Hub, including its location, operating model, programs and relationship to the outcomes sought by the petition, will therefore be considered in the further report to Council. That report will enable Council to determine whether any additional action is warranted.

Next steps

13. Following the tabling of the petition:
    1. Council officers will verify the signatories and assess the public-meeting request against section 59 of the Act.
    2. The petitioner will be given reasonable written notice of the meeting at which Council will consider the petition.
    3. A further report will be presented to Council within 42 days after the petition is tabled.
    4. The further report will:
        - advise whether the petition satisfies the statutory requirements for a public meeting;

- provide relevant information about the existing Glenorchy Youth Hub;
- address each of the actions requested in the petition; and
- recommend what action, if any, Council should take.

14. This approach ensures that Council complies with the statutory petition process while retaining an open mind about the action to be taken until the petition has been formally considered.
15. A copy of the petition is provided as **Attachment 1** to this report.

RE: Local Government Act 1993 – Part 6 – petitions, polls and public meetings

To the Mayor, Elected Members and the Chief Executive Officer of the Glenorchy City Council, the petition of the undersigned is submitted for your attention.

The petition commenced in June 2025 states:-

1. Urgently establish the promised Youth and Recreation Centre at our safely located 314-316 Main Road Glenorchy or other safe CBD public location near Police support
2. Hold a Public Meeting to discuss the Council's planned action to provide a CBD Youth Centre including supervised Activities and Development Programs

Action requested - For members of Council to extend their Youth Centre Service to provide a separate facility, such as PCYC, with longer operating hours to assist Glenorchy's older youth. Also, provision of additional suitable facilities for an increased range of physical activities such as replacing the waterslide at the Pool, provide a local large sized Skate Bowl as previously promised in 2014 'like for like', BMX Track replacement as promised in Glenorchy, a local bike riding area or establish a Beatball facility etc. In addition, advocate for government Justice Reinvestment funding to provide increased developmental opportunities, identify and advocate to the government for appropriate youth skill training and employment pathways to be provided as a priority.

The Council is sincerely thanked and congratulated for the work that has already begun since this Petition commenced in June last year. It is delivering such positive results and will improve the outlook for so many young people who will repay your kindness in so many important ways.

Please find attached my Justice Reinvestment delegation from March 2025 for your information.

Total number of signatories to the petition is 2365 comprising:-

Names with Glenorchy addresses provided	**1074**
Names of other Glenorchy suburb residents	**556**
Names with addresses outside the Municipality	**347**
Names with no address provided	**102**
Names with suburbs outside the Glenorchy Municpality	**286**

Yours sincerely
Janiece Bryan

Justice Reinvestment – Written by Janiece Bryan for Meeting with Inspector Klug of Glenorchy Police on 27 March 2025 and prior to the commencement of Youth Centre Petition in June 2025

JUSTICE REINVESTMENT IS WORKING ELSEWHERE. WILL THE GOVERNMENT COMMIT TO REINVESTMENT FUNDING FOR OUR YOUTH IN GLENORCHY?

Our disadvantaged youth deserve better programs, facilities, learning and practical skills courses etc. Glenorchy needs staffed youth centres as the first step to addressing and reinvesting in their future welfare as well as providing a connection to the Technical and Further Education pathway for apprenticeships and other employment.

We are failing our young people. If we care about our community we must also recognise and give priority to the care for our youth

The poor behaviour of our youth is a symptom of long-term neglect. This includes:

1. Failure connected to parenting;
2. Failure connected to the education system;
3. Failure by government to plan and invest in community-based infrastructure and solutions.

The Child Abuse Inquiry highlights the failure to deliver beneficial outcomes for young people in Tasmanian Government run institutions. Harsher penalties are draconian and have been proven not to work.

The Dropping off the Edge Report highlights that over 30% of our young people are disengaging from school learning in a major high school in Glenorchy. Illiteracy rates are astounding and completely unacceptable and greatly impacts a young person's ability to be employable. What is being done about this? What are young people doing when they are not at school? Alternative programs to deliver practical skills to these young people are of the outmost importance and absolutely necessary to deliver improved life outcomes for our youth. There is a shortage of trained labour in Australia and what better way to save our young people by valuing them and investing in their training that will set them up for a better life that is free of resorting to criminal means to survive.

We need the Justice Reinvestment approach to assist our young, disadvantaged people in Glenorchy

"Justice reinvestment suggests that prisons are an investment failure, 'destabilising communities along with the individuals whom they fail to train, treat, or rehabilitate (and whose mental health and substance abuse are often exacerbated by the experience of imprisonment)'. Instead, to address the causes of offending, money is better spent—and indeed savings can be made—by reinvesting in places where there is a high concentration of offenders. Justice reinvestment, its proponents contend, can serve both the ends of economic efficiency and social justice: 'the most efficient way to a just society is to reduce criminality at source through investment in social justice'…

In this analysis, justice reinvestment could be seen as 'preventative financing, through which policymakers shift funds away from dealing with problems "downstream" (policing, prisons) and toward tackling them "upstream" (family breakdown, poverty, mental illness, drug and alcohol dependency)'. The Commission on English Prisons Today put it more starkly, arguing that 'Justice Reinvestment is not about alternatives within the criminal justice process, it is about alternatives outside of it'….

The focus on upstream, or preventative, approaches is linked with an emphasis on intervention at a local level: 'a place-based community-focused justice reinvestment approach prioritises the importance of front-end holistic support which has the capacity to prevent criminalisation in the first instance"

The Government should support a justice reinvestment approach in Australia and consider that it is a crucial element of addressing the high levels of imprisonment..... One of the key elements in any solution focussed on addressing over-representation in the criminal justice system is to address disadvantage, including through approaches such as justice reinvestment which seeks to divert funding from prisons to community programs, youth workers and centres to advise and mentor young people, work skill-training, apprenticeships, investing in all-important TAFE education for young people. TAFE education is suffering from the travesty of Tasmanian government funding cuts continuing for over 10 years now. How many generations have been deprived of this human right to a decent education?

Generations of youth and their future pathways to employment have been impacted. Unless,we as a community speak up it will not change. We must care about our young people. We must do better for our young people in Glenorchy. The community might call out because youth behaviour is affecting them but stop and think what about the devastating affect the government and council's policy failures are having on the lives of our youth. If we care about our community, we must also urgently recognise and give priority to the care of young people.

The recent Police blitz and media reports against crime has inflamed community sentiment against our youth. There are genuine reasons and policy failures that have caused the roaming crime situation to develop in Glenorchy. It has been developing over a long period of time and there has been a failure to address planning, young people issues and needs, provide alternatives such as dedicated safe youth facilities and as a result there is now a noticeable and intolerable level of youth restlessness, boredom and crime.

The community might call out because youth behaviour is affecting them but stop and think what about the devastating effect the government and council's policy failures are having on the lives of our youth. If we care about our community, we must also urgently recognise and give priority to the care for our youth.
As a first step we need to provide a staffed Activity and Program-based Youth Centre in our large City of Glenorchy. We have a large population and our youth deserve this after years of social policy neglect.
This could be a new approach piloted in Glenorchy and the outcomes could be monitored for future introduction into other areas needing this type of assistance for their young people. They need this to achieve better lives for themselves and their families and teach skills that lead to employment opportunities for them and improved economic outcomes for the government.
Supporting Reinvestment into well-staffed, well-equipped, well-located youth centres with targeted programs is the essential first step to bringing about change, reducing crime rates and reducing the policing resources required due to the current system that neglects the needs of young people and delivers no alternative opportunities to them.

The Council should set up a team to investigate all funding available to assist in providing proactive and meaningful solutions for youth in Glenorchy to circumvent and mitigate the rapidly escalating problems causing the community to fear for the future. The issue is urgent but action must be taken now even before further funding is obtained. All current support services need to be centralised at the Golden Years facility and dedicated to deliver a better and more effectively co-ordinated service instead of the disjointed haphazard approach at the present time.

National Justice Reinvestment Unit

In the 2022-23 Budget, the Australian Government committed $12.5 million over 4 years to design and establish a National Justice Reinvestment Unit to coordinate and support justice reinvestment initiatives at a national level, as recommended by the Australian Law Reform Commission (ALRC) Pathways to Justice report.

8.2 GLENORCHY CITY COUNCIL ELECTIONS 2026 - OUTCOME

Author: Coordinator Executive and Strategy (Tim Douglass)

Qualified Person: Chief Executive Officer (Emilio Reale)

File Reference: Local Government Elections 2026

Executive summary

The 2026 local government elections resulted in the election of nine Councillors to Glenorchy City Council: Sue Hickey, Russell Yaxley, Lachlan McCarthy, Kelly Sims, Marilena Di Florio, Mala Crew, Kate Clark, Nathan Volf and Stuart Slade. Of those elected, Sue Hickey was elected Mayor and Kelly Sims was elected Deputy Mayor.

All nine Councillors made their declarations of office on 9 November 2026. Council is required under section 321(3) of the *Local Government Act 1993* to acknowledge the making of those declarations.

Recommendation

That Council:

1. ACKNOWLEDGE the making of declarations of office by Mayor Sue Hickey, Deputy Mayor Kelly Sims and Councillors Russell Yaxley, Lachlan McCarthy, Marilena Di Florio, Mala Crew, Kate Clark, Nathan Volf and Stuart Slade on Monday, 9 November 2026, in fulfilment of the requirements of section 321(3) of the *Local Government Act 1993*.

Community Plan Reference	Transparent and accountable government.
Strategic Plan Reference	Communicate effectively with our community and stakeholders about what Council is doing.
Consultation / Engagement	Tasmanian Electoral Commission
Resources	Not applicable
Risk / Legal / Legislative / Reputational	If Council does not acknowledge the making of the declarations of office, it will not comply with section 321(3) of the Local Government Act 1993. This would represent a minor legal or regulatory failure.
2026/27 Budget Allocation	Not applicable
Life of Project, Service, Initiative or (Expectancy of) Asset	Not applicable
2026/27 Budget Reconsideration	Not applicable
Ongoing Costs (e.g. maintenance, operational)	Not applicable
Other Funding Sources	Not applicable

Proposal in detail

1. The four-yearly local government elections were held in September and October 2026 to determine the composition of the new Glenorchy City Council.
2. Council's Election Caretaker Period Policy governed the conduct of Councillors and employees during the election period. The election was conducted by the independent Tasmanian Electoral Commission. Justin Meeker from the Tasmanian Electoral Commission was the Returning Officer for Glenorchy City Council.
3. Voting was by postal ballot and was compulsory for electors enrolled on the State electoral roll. The key election dates were:

Event	Date
Notice of election published	Saturday, 5 September 2026
Candidate nominations open	Monday, 7 September 2026
Electoral rolls close	Thursday, 10 September 2026
Candidate nominations close	Monday, 21 September 2026
Announcement of nominations	Tuesday, 22 September 2026
Ballot packs delivered from	Monday, 5 October 2026
Close of poll	Tuesday, 27 October 2026
Counting commenced	Wednesday, 28 October 2026
Councillor count completed	Monday, 2 November 2026
Certificate of Election issued	Tuesday, 3 November 2026

4. There were 26 candidates for nine Councillor positions. Of these candidates, six also stood for Mayor and 12 for Deputy Mayor.

5. Of the 33,597 enrolled electors, 27,944 postal vote declarations were returned, representing a response rate of 83.17%. This was slightly higher than Glenorchy's 82.73% return rate in 2022. The statewide participation rate in 2026 was 85.6%.

Election of Mayor

6. At 12:05 pm on Thursday, 29 October 2026, following the distribution of preferences, Sue Hickey was elected Mayor with 12,661 votes, representing 51.54% of the votes remaining in the count.

Election of Deputy Mayor

7. At 3:32 pm on Saturday, 31 October 2026, following the distribution of preferences, Kelly Sims was elected Deputy Mayor with 11,779 votes, representing 55.76% of the votes remaining in the count.

Election of Councillors

8. At 3:49 pm on Monday, 2 November 2026, the following candidates were elected as Councillors, in order of election:
    - Sue Hickey
    - Russell Yaxley
    - Lachlan McCarthy
    - Kelly Sims
    - Marilena Di Florio
    - Mala Crew
    - Kate Clark
    - Nathan Volf
    - Stuart Slade
9. The Certificate of Election is **Attachment 1** to this report.

Making of Declarations of Office

10. Section 321 of the Local Government Act 1993 requires a person elected as a Councillor to make a declaration of office. Until the declaration is made, the person must not act in the office of Councillor, Mayor or Deputy Mayor or take part in the proceedings of a Council or committee meeting.
11. In making the declaration of office, each Councillor declares that they will:
    (a) faithfully carry out the functions and exercise the powers vested in them by virtue of that office to the best of their ability and in accordance with the law
    (b) comply with Council's Code of Conduct
    (c) engage in ongoing professional development
    (d) abide by the principles of good governance
12. All Councillors-elect made their declarations of office before the Chief Executive Officer at a ceremony held at the Glenorchy Youth Hub on Monday, 9 November 2026.
13. Under section 321(3) of the Act, Council must acknowledge the making of the declarations at a Council meeting, and the Chief Executive Officer must record that acknowledgement in the minutes.

11.1 PROCUREMENT EXEMPTIONS

Author: Legal Officer (Stella Edwards)

Qualified Person: Director Community and Corporate Services (Tracey Ehrlich)

File Reference: Procurement

Executive summary

In accordance with section 333B of the *Local Government Act 1993*, Council has adopted a Code for Tenders and Contracts (the Code).

Under the Code, a report must be prepared for Council detailing any instances where the usual public tender or quotation has not been applied. Such procurement exemptions are to be reported at the earliest ordinary Council meeting following the execution of a contract or issue of a purchase order.

This report advises Council of two approved procurement exemptions under the Code.

1. Maintenance of stormwater treatment devices

It is proposed to continue the engagement of Atlan Stormwater Pty Ltd (ABN 83 151 832 629) for the maintenance of stormwater treatment devices at Whitestone Point, Austins Ferry.

The exemption will extend engagement for a further 10-year term at an approximate cost of $34,020 (excluding GST). Council has used the supplier's services for the site since approximately 2023, with the additional term bringing the total cumulative value of the services to approximately $44,787.76 (excluding GST).

The Director Infrastructure and Development approved the exemption on 28 September 2026, on the basis that Council's requirements can only be supplied by a particular service provider, with no reasonable alternative due to an absence of competition for technical reasons, protection of proprietary rights and supplier-specific requirements.

2. Insurance brokerage services

Brokerage services were awarded to JLT for 2026/27 without going to market. At $23,950 per annum. A three-year extension would cost $71,850 (excluding GST). JLT provides these services to all Tasmanian Councils and has provided them to Council for many years. Due to unique access to underwriting services, JLT has become the sole provider of the range of insurance services that Council requires at this time. The Director Community and Corporate Services approved the three-year exemption on 10 November 2026, due to the unavailability of competitive or reliable tenderers.

Council is asked to receive and note the approved exemption in accordance with the Code’s reporting requirements.

Recommendation

That Council:

1. RECEIVE and NOTE the approved exemption for the continued engagement of Atlan Stormwater Pty Ltd (ABN 83 151 832 629) to provide stormwater treatment device maintenance for a further 10-year period, at an approximate cost of $34,020 (excluding GST).
2. RECEIVE and NOTE the approved exemption for the continued engagement of JLT to provide insurance brokerage services for a further three-year period, at an approximate cost of $71,850 (excluding GST).

Community Plan Reference	Leading Our Community We are a leader and partner that acts with integrity and upholds our community's best interests. We responsibly manage our community's resources to deliver what matters most. Transparent and accountable government.
Strategic Plan Reference	Make informed decisions that are open and transparent and in the best interests of our community. Deploy the Council's resources effectively to deliver value while being financially responsible. Manage compliance and risk in Council and our community through effective systems and processes.
Consultation / Engagement	• Director Infrastructure and Development • Manager Governance and Risk • Procurement and Contracts Coordinator • Operations and Maintenance Supervisor
Resources	There are no human resources implications.
Risk / Legal / Legislative / Reputational	As this report is recommended for receiving and noting only, no risk management issues arise. Risks around procurement are monitored and reported on a continuous basis as part of standard processes and procedures.
2026/27 Budget Allocation	Funding is provided within the approved budget.
Life of Project, Service, Initiative or (Expectancy of) Asset	The exemption is for an additional 10-year term, following initial engagement of the supplier in 2023.
2026/27 Budget Reconsideration	Not applicable
Ongoing Costs (e.g. maintenance, operational)	Not applicable
Other Funding Sources	Not applicable

Proposal in detail

Maintenance of stormwater treatment devices

1. This report advises Council of an approved exemption from the usual procurement process for the continued engagement of Atlan Stormwater Pty Ltd (ABN 83 151 832 629) for a further 10-year term. Council has used the supplier since approximately 2023 to provide maintenance of stormwater treatment devices at Whitestone Point, Austins Ferry.
2. The 10-year extension is valued at approximately $34,020.00 (excluding GST). The value of the services received to date under the engagement is approximately $10,767.76 (excluding GST), bringing the total cumulative value of the engagement to approximately $44,787.76 (excluding GST).
3. The maintenance service is directly linked to the manufacturer's warranty and relates to proprietary Atlan equipment with specific maintenance requirements. No alternative provider is available capable of undertaking the maintenance while preserving warranty coverage. Accordingly, changing service providers is not technically feasible without risking loss of warranty protection and increased lifecycle costs and risks for Council.
4. On this basis, the Operations and Maintenance Supervisor requested an exemption to continue the existing service for a further 10-year term. The Director Infrastructure and Development approved the exemption on 26 September 2026. Under the Code, an exemption from the usual public tender or quotation process may be approved for purchases or contracts valued less than $250,000 where:

   The purchase is for additional supplies by the original Service Provider, or its authorised representative, which were not included in the initial Procurement and where a change of Service Providers cannot be made for technical reasons, such as requirements of interchangeability or interoperability with existing software, services or installations procured under the initial Procurement, or due to conditions under original licensing requirements or supplier warranties.

Insurance Brokerage Services

5. Brokerage services were awarded to JLT for 2026/27 without going to market. At $23,950 p.a. A three-year extension would cost $71,850 (excluding GST) and would normally require three written quotes to comply with the Code.
6. After discussion it appears to be the case that JLT control a large part of the LG market in Tasmania and nationally. JLT provides these services to all Tasmanian Councils and has provided them to Council for many years.
7. Efforts by Glenorchy City Council to move to another provider in recent years (2021 and 2024) failed, as the competition could not make the necessary relationships with underwriters to make effective placements.
8. Due to unique access to underwriting services, JLT has become the sole provider of the range of insurance services that Council requires at this time. The Director Community and Corporate Services approved the three-year exemption on 10 November 2026, due to the unavailability of competitive or reliable tenderers.

Reporting Requirements

9. The Code requires approved procurement exemptions to be reported to the earliest ordinary Council meeting following execution of the contract or issue of a purchase order. This report presents the approved exemptions for Council to receive and note, rather than seeking approval for the engagement.

11.2 FINANCIAL PERFORMANCE REPORT TO 31 OCTOBER 2026

Author: Chief Financial Officer (Michael Sokulski)

Qualified Person: Director Community and Corporate Services (Tracey Ehrlich)

File Reference: Corporate and Financial Reporting

Executive summary

This report provides an overview of Council's financial performance for the year to date ending 31 October 2026**.** The reported operational result is $588,000 favourable against budget.

The financial position can be influenced by several factors. This includes timing between the budget expectation and the actual occurrence of a financial transaction, as well as more permanent variations.

It is important to note the figures contained in this report are not wholly cash but are a combination of cash received or spent as well as accrued revenue and expenditure forecast to be received or spent. An example would be Rates & Charges whereby the annual notice is issued in July with payment options through to the following May. However, the total amount is immediately recognised as revenue in July pursuant to accrual accounting standards.

The operating revenue and expenditure position at the end of the current reporting period is.

- Revenue $73.837 million, recording a $109,000 favourable variation to budget.
- Expenditure $28.826 million, recording a $479,000 favourable variation to budget.

As actual revenue and expenditure is tracking generally in line with the budget allocation, there are no budget adjustments proposed this month.

In relation to non-operating items that primarily relate to assets, the variation to budget can vary in scale as it is difficult to budget in advance of the source event:

- Capital grant revenue is $219,000 against the annual $1.278 million budget
- No non-monetary assets have been recorded against the annual budget of $2.625 million.
- Gain on disposal of assets / derecognition of assets is $64,000 against the annual loss of $1.375 million
- No assets have been written off against the annual budget of $700,000.
- There have been no monetary contributions received to date.

Disposal or writing off assets is not necessarily cash related but rather depends on the relationship between sale price (if applicable), book value, residual value and timing of the derecognition.

Year-to-date expenditure on the capital works program totals $5.584 million compared to the budget allocation of $3.803 million.

Further details on financial performance, capital works, and variance analysis are provided in **Attachment 1** to this report.

Recommendation

That Council:

1. RECEIVE and NOTE the attached report on Council's financial performance to 31 October 2026.

Community Plan Reference	Leading Our Community We are a leader and partner that acts with integrity and upholds our community's best interests. We responsibly manage our community's resources to deliver what matters most.
Strategic Plan Reference	Communicate effectively with our community and stakeholders about what Council is doing. Manage the City's assets responsibly for the long-term benefit and growth of our community. Deploy the Council's resources effectively to deliver value while being financially responsible. Manage compliance and risk in Council and our community through effective systems and processes.
Consultation / Engagement	Executive Leadership Team. All Managers. Community consultation was not required due to the regular and operational nature of this report.
Resources	Not applicable
Risk / Legal / Legislative / Reputational	1. Financial Risk There is an ongoing risk of revenue or expenditure variations arising later in the financial year due to economic conditions, timing of grant receipts, inflationary pressures, or unplanned maintenance requirements. Continuous monitoring and quarterly reviews mitigate this risk. 2. Budget Management Risk If budget variations are not appropriately approved or reflected in future reporting, Council may lose visibility over true financial performance. Regular review and alignment of budget estimates, as proposed in this report, reduces this risk. 3. Capital Delivery Risk Delays in the delivery of capital works or the use of carried forward grant funds may result in project underspend or deferred community benefits. This risk is mitigated through project monitoring and separate Capital Works reporting. 4. Compliance Risk Failure to report or approve budget adjustments in accordance with Section 82(4) of the Local Government Act 1993 could lead

	to non-compliance with legislative requirements. This is mitigated by ensuring Council approval of all budget variations. 5. Operational Risk Timing differences in expenditure recognition, staff vacancies, and supplier delays can create short-term fluctuations in reported results. These are managed through monthly reviews and adjustments to ensure reports reflect the true financial position. 6. Reputational Risk Inaccurate or inconsistent financial reporting may undermine public confidence in Council's financial management. Transparent financial reporting and the inclusion of explanatory notes help maintain community trust and accountability.
2026/27 Budget Allocation	The Financial Performance Report details actual results against budget.

Report in detail

Financial Performance Report

1. Details of Council's Financial Performance Report (Report) for the year-to-date ending 31 October 2026 is included in **Attachment 1**.
2. The Report highlights Council's operating result at the end of the reporting period is $588,000 favourable to budget.
3. The monthly position continues to report a modest favourable variation against budget at an organisational level. In relation to variances at the program level, the mid-year budget review will address those considered to be outside of an acceptable tolerance.

4. Economic instability continues to be of concern which may require budget adjustments in the future.

Revenue

5. Year-to-date operational revenue is $73.837 million compared to budgeted operational revenue of $73.728 million. This represents a favourable result of $109,000 or 0.15% against budget.
6. The revenue budget is broadly in line with result expectations for most revenue streams.
7. The programs where revenue is susceptible to external factors include landfill fees, development applications, childcare utilisation and general rate growth. There is no immediate budget review required however there will be a focus of attention in the mid-year budget review.

Expenditure

8. Year-to-date operational expenditure is $28.826 million compared to budgeted expenditure of $29.305 million. This represents a favourable result of $479,000 or 1.63% against budget.
9. The expenditure budget is broadly in line with result expectations across most programs.
10. Expenditure is under constant pressure through the unpredictability of the oil price, rising interest rates, availability of contractors / labour and tightening of State and Federal economic policy. At the moment, programs are managing to control the impact of these pressures however they will be a focus of attention in the mid-year budget review.

Non-operating – Capital Grant Revenue

11. Capital grant revenue is $219,000 against the annual $1.278 million budget.
12. Roads to Recovery funding constitutes the majority of capital grant funding. The project nominated for this year's funding is *Main Road, Glenorchy - Between Gavitt Street and Windsor Street*.

Non-operating – Monetary Contributions

13. No monetary contributions have been received, and no budget is provided due to the ad-hoc nature of this revenue.
14. Typically, this revenue is held in reserve to fund future capital works where current developments will impose capital upgrades on Council earlier than anticipated.

Non-operating – Net Gain/(Loss) on Disposal / Derecognition of Assets

15. Disposal of assets currently records a gain of $64,000 against an annual budget loss of $1.375 million.
16. Activities in this area are related to physical disposal of obsolete computer equipment, minor plant, vehicle changeovers, surplus land and residual infrastructure assets.

17. The sale price of all disposed assets is tempered by the expense in writing down the book value of those assets. There is also an allowance for derecognised assets when a physical asset is redundant.

Non-operating – Contributions Non-Monetary Assets

18. No non-monetary assets have been recorded against the annual budget of $2.625 million.

19. Typically, these are donated/gifted assets received from subdivisions and like developments, as well as assets found not to be currently recorded in the asset register.

Non-operating – Assets Written Off

20. No assets have been written off against the annual budget of $700,000.

21. Typically, this relates to the value of assets that have reached the end of their useful lives early and have been replaced.

Capital Works

22. Year-to-date capital works expenditure is $5.584 million against the allocated budget of $3.803 million.

23. In the recurrent projects program, several major road resealing and rehabilitation works, including Albert Road and Tolosa Street, were completed early in the financial year after being deferred from the previous year due to weather delays and contractor availability. This has contributed to expenditure being higher than budgeted in the first half of the year. The program has since been adjusted, and we will continue to monitor expenditure and delivery performance against budget.

24. All final invoices have now been received from the Head Contractor (Hutchinson Builders) for the Glenorchy Pool Repair and Upgrade works. The final cost of the head contract was $6,508,520, which includes approved variations of $228,613 representing approximately 3.5% of the original head contract value. This amount is in accordance with the approved budget for the head contract of $6.5 million plus $500,000 in contingency.

25. Design work and tendering has been completed for the Tolosa Park Destination Playground project. Construction works are scheduled to commence in February to avoid disruption over the Christmas period, with a planned completion in June.

26. Separate quarterly capital update reports will continue to be provided to Council on a quarterly basis and will include recommendations for variations to the capital program or budget where necessary.

Budget variations

27. There are no budget variations proposed in this report.

Further information

28. Further details on revenue, expenditure and capital works figures are provided in **Attachment 1** to this report.

Operating Revenue

Year-to-date operational revenue is $73.837m compared to budgeted operational revenue of $73.728m. This represents a favourable result of $109k or 0.15% against budget.

i. *All noted amounts are reported as variance to budget as of 31 October 2026.*
ii. *Rounding to the nearest '000 may affect some totals or calculations slightly*

Note 1 – Rates Revenue

Unfavourable against the year-to-date $58.054m budget by $206k, noting lower than budgeted supplementary valuation revenue ($129k) and new charitable general rate remissions ($85k).

Note 2 – User Charges and Licences Revenue

Unfavourable against the year-to-date $11.969m budget by $13k, noting landfill fees decrease ($82k), lease fees and recoveries ($51k) and parking infringements ($45k), offset by increased building governance fees ($159k) and food licence fees and infringements ($32k).

Note 3 – Interest on Investments

Interest on cash and investments is $396k against an annual budget of $1.675m. Interest received from at-call accounts is $296k, from reserve accounts is $59k, from term deposits is $125k and accrued interest for last year is $84k.

Note 4 – Operating Grants

Operating grant revenue is $2.760m against the $2.657m budget, noting major grant revenue this year is for Humphreys Rivulet Rehabilitation ($1.014m), Glenorchy Youth Hub ($300k), Northern Suburbs Transport Corridor Plan ($250k) and Childcare Subsidies ($715k).

Note 5 – Contributions - Cash

Cash contributions received year-to-date are $32k against an annual budget of $23k, noting this budget covers planning cash-in-lieu ($10k budget / $30k received) and private stormwater connection permits ($13k budget / $2k received). These are reactive and rely on customer-initiated activity to generate revenue.

Note 6 – Tas Water Income

The first interim dividend for $652k has been received against an annual budget of $1.874m. Dividend income is $183k favourable due to late adjustment by TasWater to dividends paid this financial year.

Note 7 – Other Income

Generally on target against the year-to-date budget of $199k, noting no material variations to report.

Operating Expenditure

Year-to-date operational expenditure is $28.826m compared to budgeted expenditure of $29.305m. This represents a favourable result of $479k or 1.63% against budget.

i. *All noted amounts are reported as variance to budget as of 31 October 2026.*
ii. *Rounding to the nearest '000 may affect some totals or calculations slightly*

Note 8 – Employment Costs

Favourable against the year-to-date $11.227m budget by $71k.

Note 9 – Materials and Services Expenditure

Favourable against the year-to-date $9.286m budget by $247k, noting generally on track or minor offsetting expenditure across most programs with outliers being lower expenditure in Waste Management ($169k) and Governance & Risk ($106k) and increased expenditure in Information Technology ($223k) and Property Services ($105k).

Note 10 – Depreciation and Amortisation

Favourable against the year-to-date $6.433m budget by $191k, noting capitalisation of constructed and acquired assets has been delayed while the new Asset Management System has been undergoing testing which is now ready for use.

Note 11 – Finance Costs

No finance costs have been recorded year-to-date and Council has no borrowings.

Note 13 – Bad and Doubtful Debts

No bad debts have been recorded against the $20k annual budget.

11.3 APPOINTMENT OF COUNCILLORS TO COMMITTEES, STATUTORY BODIES AND WORKING GROUPS

Author: Coordinator Executive and Strategy (Tim Douglass)

Qualified Person: Chief Executive Officer (Emilio Reale)

File Reference: 2026 Committees

Executive summary

Following the 2026 Council election, Council is required to appoint Councillors to its committees, working groups and other bodies for the new Council term.

In accordance with Council's Nominations and Appointments to Committees and Other Bodies Policy (**Attachment 1**), nominations were sought for:

- Glenorchy Planning Authority
- Chief Executive Officer's Performance Review Committee
- Audit Panel
- Glenorchy Municipal Emergency Management Committee
- Wellington Park Management Trust
- Greater Hobart Cycling Committee
- Access and Inclusion Special Committee
- Glenorchy Carols Grants Working Group
- Glenorchy Cultural Celebration Grants Working Group
- Glenorchy Community and Volunteer Awards Working Group
- Safer City Working Group

This report presents the nominations received for the available positions. Council is asked to:

- appoint nominees where the number of nominations does not exceed the positions available
- conduct a ballot, in accordance with the Policy, where nominations exceed the positions available
- call for nominations from the floor for any positions that remain vacant

The report also confirms the Mayor's membership of relevant committees and representation on external bodies. It notes that the Southern Tasmania Regional Waste Authority is now known as TasWaste South, Cycling South is now known as the Greater Hobart Cycling Committee and that the Greater Hobart Strategic Partnership is now known as the Greater Hobart Councils Partnership.

It also addresses the Mayor's statutory ability to appoint the Chief Executive Officer to perform relevant functions on her behalf.

Recommendation

That Council:

Appointments to committees not requiring a ballot

1. APPOINT Councillor Clark and Councillor Yaxley as members of the Glenorchy Planning Authority (GPA)
2. APPOINT Councillor Volf as Council's nominee to the Wellington Park Management Trust, subject to Ministerial appointment
3. APPOINT Councillor McCarthy and Councillor Volf as members of the Access and Inclusion Special Committee
4. APPOINT Councillor Clark, Councillor Di Florio and Councillor Sims as members of the Glenorchy Carols Grants Working Group

Nominations from the floor

5. CALL for nominations from the floor for:
   (a) the two remaining positions on the Glenorchy Planning Authority
   (b) the second proxy position on the Audit Panel, and
   (c) the one position on the Greater Hobart Cycling Committee
6. CONDUCT ballots in accordance with Part 3 of the Nominations and Appointments to Committees and Other Bodies Policy (the Policy) where the number of nominations received from the floor for a position under resolution 5 exceeds the number of positions available
7. Where the number of nominations received from the floor for a position under resolution 5 does not exceed the number of positions available, APPOINT those nominees to the relevant positions

Ballots

8. CONDUCT ballots in accordance with Part 3 of the Policy to determine the members-elect for:
   (a) the two positions on the Chief Executive Officer's Performance Review Committee
   (b) the two member positions on the Audit Panel
   (c) the one position on the Glenorchy Municipal Emergency Management Committee
   (d) the three positions on the Glenorchy Cultural Celebration Grants Working Group
   (e) the two positions on the Glenorchy Community and Volunteer Awards Working Group, and
   (f) the two positions on the Safer City Working Group

Following the determination of any appointments and ballots required under resolutions 5 to 8:

Glenorchy Planning Authority (GPA)

9. NOTE that the Mayor is an ex-officio member and Chair of the Glenorchy Planning Authority

10. APPOINT any members-elect determined by ballot under resolution 6 to the remaining positions on the GPA

11. NOTE that, in accordance with Council's resolution of 1 December 2014, as amended on 31 August 2015, the proxy positions on the GPA are to be rotated among the remaining Councillors

Chief Executive Officer's Performance Review Committee

12. APPOINT the two members-elect determined by ballot to the Chief Executive Officer's Performance Review Committee

13. NOTE that the Mayor is a member and Chair of the Chief Executive Officer's Performance Review Committee by virtue of the Mayor's functions under section 27 of the *Local Government Act 1993*

Audit Panel

14. APPOINT the two members-elect determined by ballot as members of the Audit Panel

15. OFFER the unsuccessful candidate in the ballot for membership of the Audit Panel the first proxy position and, if accepted, APPOINT that candidate as the first proxy member of the Audit Panel.

16. If a second proxy position remains vacant after applying the proxy appointment process in Part 3 of the Policy, CALL for nominations from the floor for that position.

17. Where:

    (a) one nomination is received, APPOINT that nominee as the second proxy member

    (b) more than one nomination is received, CONDUCT a ballot in accordance with Part 3 of the Policy and APPOINT the member-elect; or

    (c) no nominations are received, RESOLVE to seek nominations for determination at the next Council meeting

Glenorchy Municipal Emergency Management Committee

18. APPOINT the member-elect determined by ballot as Council's member of the Glenorchy Municipal Emergency Management Committee and NOTE the Mayor's intention to appoint that member to perform the function of Municipal Chairperson on the Mayor's behalf

Glenorchy Cultural Celebration Grants Working Group

19. APPOINT the three members-elect determined by ballot to the Glenorchy Cultural Celebration Grants Working Group

Glenorchy Community and Volunteer Awards Working Group

20. NOTE that the Mayor is a member of the Glenorchy Community and Volunteer Awards Working Group under its Terms of Reference

21. APPOINT the two members-elect determined by ballot to the Glenorchy Community and Volunteer Awards Working Group

22. APPOINT the two members-elect determined by ballot to the Safer City Working Group

Greater Hobart Cycling Committee

23. If the position on the Greater Hobart Cycling Committee remains unfilled following the call for nominations under resolution 5, RESOLVE to seek nominations for the position for determination at the next Council meeting

Mayor as representative on external bodies

24. ACKNOWLEDGE the Mayor's function under section 27(1)(f) of the Local Government Act 1993 to represent Council in relation to the following external bodies, subject to the governing arrangements of each body:

    (a) Local Government Association of Tasmania, as voting representative

    (b) TasWater Owners' Representatives' Group, as owners' representative

    (c) TasWaste South, as forum member

    (d) Greater Hobart Committee, as member

    (e) Greater Hobart Councils Partnership, as member, and

    (f) Joint Ministerial Council (Hobart City Deal), as member

25. ACKNOWLEDGE the Mayor's intention to appoint the Chief Executive Officer to perform the Mayor's functions under section 27(2A)(a) of the *Local Government Act 1993*, where applicable, in relation to:

    (a) the TasWater Owners' Representatives' Group, and

    (b) TasWaste South

26. NOTE that appointments to the TasWater Owners' Representatives' Group are for three years and are due to be considered again before June 2027.

Proposal in detail

1. To assist Council to achieve its goals and objectives and comply with its statutory responsibilities, Council has established and maintains representation on several committees, working groups, statutory bodies and other external bodies.
2. By convention, and in accordance with Council policy, Council appoints Councillors to represent Council on the various committees and other bodies at the first meeting of Council following a Council election.
3. It is also noted that the Mayor is a member of a number of these bodies by virtue of her office (ex officio).
4. The nomination and appointment process is set out in Council's Nominations and Appointments to Committees and Other Bodies Policy (the Policy), a copy of which is **Attachment 1** to this report.
5. This report identifies the candidates nominated for each available position and provides the information required for Council to consider and determine appointments.

Notice to Councillors calling for nominations

6. In accordance with Part 1, clause 5 of the Policy, a Notice (**Attachment 2)** was circulated to Councillors on 20 November 2026 calling for nominations to the following committees and other bodies (the committees):
   (a) Glenorchy Planning Authority
   (b) Chief Executive Officer's Performance Review Committee
   (c) Council's Audit Panel
   (d) Glenorchy Municipal Emergency Management Committee
   (e) Wellington Park Management Trust
   (f) Greater Hobart Cycling Committee

Procedural requirements

8. Part 1, clauses 6 and 7 of the Policy set out the process for appointing nominees to committees as follows:

6. *Where the number of nominees for a position does not exceed the number of positions available, the Council will determine the appointment in accordance with its ordinary meeting procedures.*

7. *If the number of nominees for a position exceeds the number of positions available—*

   (a) a ballot will be held to select the appointee or appointees (or nominees for a position on an External Body, if applicable), and

   (b) once the result of the ballot is determined, the chair will call for the appointment to be confirmed in accordance with Council's ordinary meeting procedures.

9. The number of nominees exceeds the number of positions available for the following committees or bodies:

   (a) Chief Executive Officer's Performance Review Committee

   (b) Audit Panel

   (c) Glenorchy Emergency Management Committee

   (d) Glenorchy Cultural Celebration Grants Working Group

   (e) Glenorchy Community and Volunteer Awards Working Group

   (f) Safer City Working Group

10. Ballots must be conducted in accordance with Part 3 of the Policy. Ballot papers will be distributed to Councillors prior to the meeting and will be destroyed as soon as practical after the conclusion of the meeting.

Role and purpose	The Glenorchy Planning Authority is a Council Committee established to review applications and make determinations on statutory land use planning matters under the *Land Use Planning and Approvals Act 1993* and in accordance with the Tasmanian Planning Scheme.
Nature of duties	The duties of a Committee member, including (but not limited to): • attending meetings of the Committee, and • discharging the roles and functions of the Committee. Members of the Glenorchy Planning Authority discharge a critical function of Council in assessing and determining planning and development applications for the municipality in accordance with statutory requirements.
Extent of delegated authority	Delegated power to determine those statutory land use planning matters listed on the Glenorchy Planning Authority meeting agenda.

Nominations received

11. Council received two nominations for four positions available on the Glenorchy Planning Authority (GPA). The nominees for the positions are:
    - Councillor Kate Clark
    - Councillor Russell Yaxley
12. The statements provided in support of the nominations are as follows:

Cr Clark	I wish to nominate for a position on Glenorchy City Council's Planning Committee, as I believe my professional experience, practical thinking and understanding of our local community. Through my experience in real estate, business ownership and community involvement, I have developed strong decision-making skills, attention to detail and the ability to assess matters from different perspectives. I am a practical, independent thinker who believes in asking questions, considering the facts and making fair, balanced and informed decisions. I understand the importance of responsible development while protecting the character, amenity and long-term interests of our municipality. I recognise that planning decisions must be made within the relevant legislative framework, and I am committed to approaching each application objectively and on its merits. I would welcome the opportunity to contribute positively to the Committee and support responsible planning outcomes for Glenorchy's future.

Cr Yaxley	Having served on the Glenorchy Planning Authority during the previous Council term, I am seeking reappointment to continue this important responsibility. With more than a decade of experience in the property industry, a Diploma of Property Services and a current Real Estate Agent Licence, I bring practical knowledge of property, development and the challenges faced by applicants and our community. My time on the Authority has given me a strong appreciation of the statutory planning process, the importance of professional advice and the need to make consistent, defensible decisions. I approach each application on its merits, taking the time to understand the issues, ask questions and consider the relevant planning requirements as a statutory decision making member. I believe the combination of my professional background and previous experience on the Authority allows me to make a considered contribution and I would welcome the opportunity to continue serving.

Recommendations

13. Under Part 1, clause 6 of the Policy, APPOINT Councillor Clark and Councillor Yaxley as members of GPA without a ballot.
14. As insufficient nominations were received to fill the four member positions on the GPA, call for nominations from the floor for the two remaining positions.
15. If more than two nominations are received from the floor, conduct a ballot under Part 3, clause 7 of the Policy to determine the members-elect for the two remaining positions.

Appointment of Councillors to the Chief Executive Officer's Performance Review Committee

Chief Executive Officer's Performance Review Committee	
Committee type	Council Committee (section 23, *Local Government Act 1993)*
Committee composition	Mayor and 2 Councillors
No. of Councillor positions	2 Councillors
Meeting frequency	As required, but at least annually (typically once per quarter)
Ex-officio appointments	Mayor (Chairperson)
Proposed term of appointment	End of current Council term
Role and purpose	Coordinate the Chief Executive Officer's performance review, including the preparation of Key Performance Indicators and the facilitation of the review process at least annually, and make recommendations for Council's consideration of the same.

Chief Executive Officer's Performance Review Committee	
Nature of duties	Attend meetings of the Committee. Discharge the roles and functions of the Committee.
Extent of delegated authority	No delegated authority.

Nominations received

16. Council received three nominations for the two positions available on the CEOPR Committee. The nominees for the positions are:
    - Councillor Kate Clark
    - Councillor Marilena Di Florio
    - Councillor Kelly Sims
17. The statements provided in support of the nominations are as follows:

Cr Clark	I wish to nominate for a position on Glenorchy City Council's Chief Executive Officer Performance Review Committee, where I believe my strong leadership skills, business management experience, sound judgement and practical, results-driven approach would enable me to make a valuable contribution. Through my experience as a business owner, director and leader of community organisations, I understand the importance of accountability, effective governance, clear expectations and measuring performance against agreed objectives. I am an independent, practical thinker who values professionalism, integrity, transparency and fairness. I have experience managing teams, overseeing operations, making difficult decisions and ensuring individuals are supported while remaining accountable for their responsibilities. I believe a successful performance review process should be constructive, objective, confidential and focused on continuous improvement, organisational performance and achieving Council's strategic priorities. I would welcome the opportunity to serve on this Committee, contributing my leadership experience, strong communication skills and balanced judgement to support a fair, professional and meaningful review process that strengthens Council's leadership and delivers positive outcomes for the Glenorchy community.
Cr Di Florio	I am nominating for this committee as I have a strong interest in governance and the importance that good governance procedures have on the overall performance of council. I am motivated by the chance to work closely with senior leaders, support transparency and continuous improvement, and help ensure the organisation achieves its objectives with integrity and sound governance.

Cr Sims	As Deputy Mayor and a returning councillor with over five years of experience, I bring strong governance discipline, objectivity, and a deep commitment to executive accountability to the Chief Executive Officer Performance Review Committee. The CEO is Council's sole employee, making fair, structured, and evidence-based performance oversight essential to delivering our community's strategic vision. My platform is built on transparent governance and measurable outcomes rather than tick-a-box processes. I will apply this same analytical rigour to setting clear Key Performance Indicators (KPIs), monitoring progress against our Annual Plan, and ensuring our executive leadership aligns with community expectations. Having worked closely within Council's statutory frameworks, I understand the absolute necessity of strict confidentiality, procedural fairness, and independent judgment. I am committed to fostering a constructive, professional, and transparent review process that serves Council's best interests.

Statutory requirements

18. Under section 27 of the Act, the functions of the Mayor include:

    "(g) to lead and participate in the appointment, and the monitoring and performance, of the General Manager..."

19. That provision necessitates the ex-officio appointment of the Mayor to the Chief Executive Officer's Performance Review Committee (CEOPR Committee).

Recommendations:

20. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the members-elect for appointment to the CEOPR Committee.

Appointment of Councillors to Audit Panel

Audit Panel	
Committee type	Audit panel established under section 85 of the *Local Government Act 1993*
Committee composition	2 Councillors, 3 independent members
No. of Councillor positions	2 Committee members and 2 proxy Committee members
Meeting frequency	Not less than 4 ordinary meetings per financial year (currently scheduled to meet 6 times per financial year)
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term

Audit Panel	
Role and purpose	The Audit Panel provides independent oversight and review of Council's financial reporting, governance, internal controls, risk management, legislative compliance and related matters. The statutory functions of audit panels are established under section 85 and 85A of the *Local Government Act 1993* and clause 4 of the *Local Government (Audit Panels) Order 2014*.
Nature of duties	The duties of a Committee member, including (but not limited to): • attending meetings of the Committee, and • performing the Committee's role and responsibilities. In addition, clause 7 of the Charter provides that the responsibilities of Audit Panel members are as follows: (a) act in the best interests of Council (b) apply sound analytical skills, objectivity and judgment (c) express opinions constructively and openly (d) raise issues that relate to the Audit Panel's functions and pursue independent lines of enquiry, and (e) contribute the time required to review the papers provided.
Extent of delegated authority	The Audit Panel does not have any executive powers. However, the Audit Panel has certain powers in respect to the conduct of meetings and discharging its functions, generally. These are set out in clauses 31, 36, 39, 43, 50, 51 and 52 of the Charter.

Nominations received

21. Council received three nominations for the two positions available on the Audit Panel. The nominees for the positions are:
    - Councillor Lachlan McCarthy
    - Councillor Kelly Sims
    - Councillor Russell Yaxley

22. The statements provided in support of the nominations are as follows:

Cr McCarthy	Over the years I've been a co-owner and general manager of several hospitality venues and a business manager for a Tasmanian hospitality company. Those roles gave me hands-on experience managing budgets and cash flow, reviewing financial reports and following up when the numbers didn't add up. I'd bring that practical financial experience to the Audit Panel. I'm comfortable asking questions about how spending is tracked, how financial risks are managed and whether agreed audit recommendations have been followed through.
Cr Sims	With over five years of experience as a Glenorchy councillor, including serving on the Glenorchy Planning Authority, I bring strong analytical judgment, statutory literacy, and proven governance discipline. My commitment to council accountability and evidence-based decision-making aligns directly with the Panel's oversight of corporate governance, risk management, procurement, and internal controls. Having previously championed rigorous fiscal scrutiny and community value-for-money, I understand how to evaluate operational risks and budget alignment constructively. As Deputy Mayor, I'm committed to acting in Council's best interests, maintaining strict confidentiality, and dedicating the time required to thoroughly review complex papers. I will bring an objective, independent, and inquisitive mindset to ensure our systems, reporting, and WHS frameworks remain robust, compliant, and transparent for our community
Cr Yaxley	I am seeking reappointment to Council's Audit Panel, having served on the Panel during the previous Council term. I bring experience in financial management, governance and risk oversight through my leadership roles in the private sector, my Council responsibilities and as President of the Real Estate Institute of Tasmania. At the REIT, I led a significant governance reform program, developing and implementing a new Constitution, delegations and governance frameworks. I have also completed the AICD Company Directors Course and applied that knowledge across my board and committee responsibilities. My experience on the Audit Panel has reinforced the importance of independent thinking, questioning advice and ensuring that risks are properly understood and addressed. I believe I have made a valuable contribution to the Panel and would welcome the opportunity to continue that work over the next Council term.

<u>Recommendations</u>

23. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the two members-elect for appointment to the Audit Panel.

24. In accordance with Part 3 of the Policy, OFFER the unsuccessful candidate the first proxy position on the Audit Panel.

25. As insufficient nominations were received to fill the second proxy position on the Audit panel, CALL for nominations from the floor for the remaining position.

26. If there is one nomination, APPOINT that nominee as proxy member of the Audit Panel.

27. If more than one nomination is received from the floor, CONDUCT a ballot under Part 3, clause 7 of the Policy to determine the member-elect for the remaining position.

28. If there are no nominations, RESOLVE to conduct a ballot for the proxy position at the next Council meeting.

Appointment of a Councillor to the Glenorchy Municipal Emergency Management Committee

Glenorchy Municipal Emergency Management Committee	
Committee type	Municipal Emergency Management Committee (section 20, *Emergency Management Act 2006*)
Committee composition	1 Councillor, 9 external agency members
No. of Councillor positions	1 Councillor delegate as Chairperson
Meeting frequency	Minimum of 2 per year
Ex-officio appointments	Mayor (Chairperson)
Proposed term of appointment	End of current Council term
Role and purpose	To institute and coordinate, and to support the institution and coordination of, emergency management in the municipal area, or in the case of a combined area, in the municipal area that constitutes the combined area, including the preparation and review of the Municipal Emergency Management Plan and Special Emergency Management Plans that relate to emergency management.
Nature of duties	Attend meetings and contribute to the Committee's emergency management functions.
Extent of delegated authority	No delegated authority.

Nominations received

29. Council received two nominations for the position available on the Glenorchy Municipal Emergency Management Committee (GMEM Committee). The nominees for the positions are:

    - Councillor Kelly Sims
    - Councillor Stuart Slade

Cr Sims	As Deputy Mayor and a returning councillor with over five years of experience, I bring strong community connections, infrastructure knowledge, and steady leadership to the Glenorchy Municipal Emergency Management Committee. Protecting our residents, homes, and critical assets from bushfires, flooding, and severe weather is one of Council's most vital responsibilities. My platform is built on proactive maintenance, transparent communication, and genuine local engagement—principles that translate directly into effective emergency preparedness and community recovery. Having worked across Council's planning and community portfolios, I understand both the physical risk profile of our suburbs and how to communicate clearly with residents during high-stress events. I am committed to working collaboratively with emergency services, local industry, and Council officers to ensure our Municipal Emergency Management Plan remains practical, responsive, and community-focused.
Cr Slade	I am nominating for the GMEMC on the following basis: 1. As a former Police Sergeant with 20+ years service I worked alongside other Emergency Management Personnel dealing with a variety of Municipal Emergencies like fire and floods. 2. Fully understand the roles and functions of each Emergency Management Organisation. 3. I am a graduate of Emergency Management Course from Australian Emergency Management Institute (AEMI). 4. As a former Mayor was actively involved through local fires assisting in setting up the former Derwent Entertainment Centre as an Evacuation Centre

Recommendations

30. NOTE that the Mayor is the ex-officio Chairperson of the GMEM Committee but may appoint a member-elect to perform that function on her behalf.

31. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the member-elect for appointment to the GMEM Committee.

Appointment of a Councillor to the Wellington Park Management Trust

Wellington Park Management Trust	
Committee type	Independent statutory management authority established under section 9 of the *Wellington Park Act 1993*. The Trust's composition is prescribed by section 10 and its functions and powers by section 11.
Committee composition	1 Councillor, 7 external organisation members
No. of Councillor positions	1 Councillor
Meeting frequency	5 meetings per year
Ex-officio appointments	Not applicable

Wellington Park Management Trust	
Proposed term of appointment	End of current Council term, subject to the appointment arrangements under the *Wellington Park Act 1993*.
Role and purpose	The Trust is responsible for managing and protecting the diverse natural and cultural heritage of Wellington Park.
Nature of duties	Attend meetings of the Trust. Discharging the roles and functions of the Trust.
Extent of delegated authority	No delegated authority.

Nominations received

32. Council received one nomination for the position on the Wellington Park Management Trust.
    - Councillor Nathan Volf

Cr Volf	Fellow Councillors, I am seeking nomination to the Trust as a member of the Greens Party. As successor of Greens Councillor Molly Kendall who served as Glenorchy City Council's previous representative on the Trust, I feel deeply connected to the preservation of our natural world. I would like to learn as much as I can from the committee about preservation and conservation efforts of one of Glenorchy's most incredible natural landscapes. I want to work with stakeholders to ensure they have what they need to manage Kunanyi. To ensure that all involved have the resources required to support a place of such cultural and environmental significance for generations to come. Finally, I would contribute to the committee by representing the views of this council and our constituents. I hope you will consider me to be the Glenorchy City Council representative in conjunction with the CEO on the Wellington Park Trust.

Recommendations

33. Under Part 1, clause 6 of the Policy, APPOINT Councillor Volf to the Wellington Park Management Trust without a ballot, subject to Ministerial appointment.

Appointment of Councillors to the Greater Hobart Cycling Committee

Greater Hobart Cycling Committee	
Committee type	Regional organisation comprising the five Greater Hobart councils: Hobart, Glenorchy, Kingborough, Brighton and Clarence. It provides a collaborative approach to increasing recreational and active transport use of bicycles.
Committee composition	Elected representatives, council officers, the Department of State Growth's Urban Mobility Planner and a Bicycle Network representative.

Greater Hobart Cycling Committee	
No. of Councillor positions	1 Councillor
Meeting frequency	Quarterly
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term
Role and purpose	Reviews progress on projects in the Greater Hobart Cycling Strategy. Makes recommendations to the Regional Transport Group on project priorities. Provides input and receives updates on State Government transport policies and actions and progresses joint funding opportunities.
Nature of duties	Attend meetings of the Committee. Discharging the roles and functions of the Committee.
Extent of delegated authority	No delegated authority.

Nominations received

34. Council received no nominations for the one Councillor position available on the Greater Hobart Cycling Committee.

Recommendations

35. As no nominations were received, CALL for nominations from the floor for the position.

36. If there is one nomination, APPOINT that nominee as member of the Greater Hobart Cycling Committee.

37. If more than one nomination is received from the floor, CONDUCT a ballot under Part 3, clause 7 of the Policy to determine the member-elect for the remaining position.

38. If there are no nominations, RESOLVE to conduct a ballot for the proxy position at the next Council meeting.

Appointment of Councillors to the Access and Inclusion Special Committee

Access and Inclusion Special Committee	
Committee type	Special Committee (section 24, *Local Government Act 1993*)
Committee composition	2 Councillors, 8 to 10 community members, subject matter experts and key stakeholder representatives, and relevant Council officers.
No. of Councillor positions	2 Councillors

Access and Inclusion Special Committee	
Meeting frequency	Minimum of 4 per year
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term
Role and purpose	Support a welcoming, accessible and inclusive community by advising Council on public spaces, action plans, commitments, professional development, youth, positive ageing and advocacy.
Nature of duties	Attend meetings, provide advice on access and inclusion matters, contribute relevant knowledge and community perspectives, and support the Committee's functions.
Extent of delegated authority	No delegated authority.

Nominations received

39. Council received two nominations for the two positions available on the Access and Inclusion Special Committee. The nominees for the positions are:
    - Councillor Lachlan McCarthy
    - Councillor Nathan Volf

Cr McCarthy	I've long advocated for people with disability and currently lead a disability inclusion group. That work has taught me how important it is to hear directly from people about what makes it harder to get around or take part in community life. I'd bring that experience to the committee and help turn what we hear into practical improvements, whether that's better access to Council facilities, safer crossings or more accessible events.
Cr Volf	Fellow Councillors, I am seeking nomination for this committee as I have spent my entire life living with multiple disabilities: vision and hearing, musculoskeletal, chronic pain and many others. While I feel lived experience of disability is important for this committee, that is not all that I bring. As a social worker, I have assisted young people from all backgrounds - from participants in youth crime to those experiencing disability to ensuring that transgender young people feel safe at school. I have supported some of Hobart's most vulnerable to feel safe, to engage in education, and above all to feel valued. I have spent the last decade of my life advocating for political change to help the most vulnerable people in our community feel safe, cared for and seen, and I hope you consider me to be on the committee designed to guide our council on how to support them further.

Recommendations

40. Under Part 1, clause 6 of the Policy, APPOINT Councillor McCarthy and Councillor Volf as members of the Access and Inclusion Special Committee without a ballot.

Appointment of Councillors to internal Council working groups

41. Internal working groups support Council by considering specific matters and providing advice, assessment or input into Council programs and initiatives.

42. Unlike statutory committees, special committees or joint authorities, they are not separately constituted under legislation and generally exercise only the functions or authority given to them by Council.

Glenorchy Carols Grants Working Group	
Committee type	Internal Council working group
Committee composition	3 Councillors, supported by the Events Officer and Coordinator Communications, Events and Engagement.
No. of Councillor positions	3 Councillors
Meeting frequency	3 meetings per year, including application assessment and final program evaluation. Additional information may be considered out of session during the year.
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term
Role and purpose	Review applications for the Glenorchy Carols Grants, assess eligibility, undertake the selection process and promote the grants program.
Nature of duties	Attend meetings, review grant applications, and select grant recipients in accordance with the endorsed process.
Extent of delegated authority	The working group is authorised to select grant recipients through the endorsed selection process and provide advice on funded events. It does not otherwise have authority to instruct or bind Council or Council officers.

Nominations received

43. Council received two nominations for the two positions available on the Glenorchy Carols Grants Working Group. The nominees for the positions are:

- Councillor Kate Clark
- Councillor Marilena Di Florio
- Councillor Kelly Sims

Cr Clark	I would welcome the opportunity to serve on the Glenorchy Community Carols Grants Committee, bringing extensive experience in community event organisation, leadership, fundraising, sponsorship and financial management. Having organised and coordinated numerous community, sporting, school and fundraising events over many years, I understand firsthand the planning, logistics, budgeting, volunteer coordination and commitment required to deliver successful events. I am a practical, highly organised and proactive thinker with a proven ability to bring people together, manage competing priorities, solve problems and turn ideas into successful outcomes. Community events such as Christmas carols play an important role in bringing families, generations and people from diverse cultures and backgrounds together, strengthening community connections, celebrating diversity and creating a genuine sense of belonging. I would be honoured to serve on this Committee, contributing my hands-on experience, leadership and sound judgement to ensure grant funding is allocated fairly, responsibly and effectively. I am passionate about supporting events that celebrate our community, encourage inclusion and create lasting memories for everyone across Glenorchy.
Cr Di Florio	I wish to be considered as a Committee Member for the Glenorchy Carols Grants Working Group. Christmas is an important time of year for many and by sharing the joy with such grants like the Carols Grants creates a real sense of joy and togetherness, even for the loneliest in our community. I have considerable experience in reviewing applications against criteria along with monitoring and managing funding agreements. Although these skills are somewhat outside the scope of the ToR I do have the skills for what is required for this working group.
Cr Sims	As Deputy Mayor and a returning councillor with over five years of experience, I bring strong grassroots community ties, event governance experience, and a commitment to fair, suburb-wide support to the Glenorchy Carols Grants Working Group. Having previously served on Council's Arts & Culture and Healthy Communities committees, alongside over 20 years in community development and the NGO sector, I understand what it takes for local organisations to deliver safe, inclusive, family-friendly events. My platform focuses on ensuring every neighbourhood across Glenorchy feels supported and connected. I am committed to applying transparent, objective assessment criteria so that grant funding empowers local community groups, maximises free public access, and brings festive cheer to families across all our suburbs.

Recommendations

44. Under Part 1, clause 6 of the Policy, APPOINT Councillor Clark, Councillor Di Florio and Councillor Sims as members of the Glenorchy Carols Grants Working Group without a ballot.

Glenorchy Cultural Celebration Grants Working Group	
Committee type	Internal Council working group
Committee composition	3 Councillors, supported by the Events Officer and Coordinator Communications, Events and Engagement.
No. of Councillor positions	3 Councillors
Meeting frequency	3 meetings per year, including application assessment and final program evaluation. Additional information may be considered out of session during the year.
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term
Role and purpose	To review applications for the Glenorchy Cultural Celebration Grants, assess eligibility, undertake the selection process and promote the grants program.
Nature of duties	Attend meetings, review grant applications, and select grant recipients in accordance with the endorsed process.
Extent of delegated authority	The working group is authorised to select grant recipients through the endorsed selection process and provide advice on funded activities. It does not otherwise have authority to instruct or bind Council or Council officers.

Nominations received

45. Council received four nominations for the three positions available on the Access and Inclusion Special Committee. The nominees for the positions are:
    - Councillor Mala Crew
    - Councillor Lachlan McCarthy
    - Councillor Kelly Sims
    - Councillor Stuart Slade

Cr Crew	I bring an in-depth understanding of the diverse cultures and unique celebrations across Africa, the Middle East, India and Southeast Asia, gained through living and working in numerous countries during my career with international airlines. My experience as a Train-the-Trainer in the international cultural awareness programme, KALEIDOSCOPE, has further deepened my appreciation of the richness, complexity and nuances of different cultures, as well as the importance of cultural understanding, respect and inclusion. I would welcome the opportunity to contribute my knowledge, international experience and passion for cultural diversity as part of a team dedicated to fostering social cohesion, strengthening community connections and bringing people together through the celebration of our diverse cultures and traditions
Cr McCarthy	Glenorchy is home to many people from migrant and culturally and linguistically diverse backgrounds. I'd like to help make sure their voices are heard and that local groups have a fair chance to access funding to celebrate and share their cultures. Through my community and electorate work, I've seen what a difference a small grant can make to a volunteer-run group. I'd bring a practical eye to what each application would deliver for the community and assess it fairly against the criteria.
Cr Sims	As Deputy Mayor and a returning councillor with over five years of experience, who has travelled the world, and engaged heavily in arts directly, I bring direct arts governance, community development expertise, and a strong commitment to fair, transparent funding to the Cultural Celebration Grants Working Group. Having previously served on Council's Arts & Culture Advisory Committee, I understand the vital role inclusive festivals, workshops, and grassroots events play in celebrating Glenorchy's rich cultural diversity and strengthening neighbourhood connections. With over 20 years of experience across the community, education, and NGO sector, including as a council community development officer, I bring practical insight into how local organisations operate and deliver meaningful public outcomes. I am committed to applying objective, evidence-based assessment to ensure grant funds empower local groups and bring our diverse community together.
Cr Slade	I am nominating for the GCCG Working Group on the following basis: 1. I have a clear understanding of its Term of Reference. 2. Over many years I have developed positive and constructive relationships with our many Multicultural Communities by attending their events and meetings. 3. Have a sound background in assessing applications and identifying areas that require further Grant Application information. 4. Have experience serving on previous GCC Working Groups.

Recommendations

46. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the three members-elect for appointment to the Glenorchy Cultural Celebration Grants Working Group.

Glenorchy Community and Volunteer Awards Working Group	
Committee type	Internal Council working group
Committee composition	Mayor, 2 Councillors, supported by the Events Officer and Coordinator Communications, Events and Engagement.
No. of Councillor positions	2 Councillors
Meeting frequency	3 meetings per year, including nomination assessment and final event evaluation. Additional information may be considered out of session during the year.
Ex-officio appointments	Mayor (member)
Proposed term of appointment	End of current Council term
Role and purpose	To review nominations for the Glenorchy Community and Volunteer Awards, assess eligibility, undertake the selection process and promote the awards.
Nature of duties	Attend meetings, review award nominations, and select award recipients in accordance with the endorsed process.
Extent of delegated authority	The working group is authorised to select award recipients through the endorsed selection process and provide advice on the awards ceremony. It does not otherwise have authority to instruct or bind Council or Council officers.

Nominations received

47. Council received four nominations for the two positions available on the Glenorchy Community and Volunteer Awards Working Group. The nominees for the positions are:

    - Councillor Kate Clark
    - Councillor Mala Crew
    - Councillor Lachlan McCarthy
    - Councillor Marilena Di Florio

Cr Clark	I would genuinely love the opportunity to serve on the Glenorchy Community and Volunteer Awards Committee, as recognising the people who give so much to our community is something I feel incredibly passionate about. Having dedicated many years to volunteering, community organisations, sporting clubs and fundraising initiatives, I understand firsthand the commitment, sacrifices and countless hours that volunteers contribute, often without seeking recognition or reward. I firmly believe that without volunteers, our community would not be what it is today. They are the backbone of our sporting clubs, schools, community groups and local organisations. Through my leadership and community involvement, I have developed strong organisational skills, sound judgement and a genuine appreciation for those who make a difference. I would be honoured to serve on this Committee and bring my experience, enthusiasm and strong community connections to ensuring our volunteers receive the recognition they truly deserve. For me, this is more than a committee position; it is an opportunity to give back to those who have given so much and to champion the people who are the heart and soul of Glenorchy.
Cr Crew	Over several decades working as a lawyer, lobbyist, human rights activist, and advocate, I have had the privilege of witnessing first-hand the transformative power of grassroots community service. I have worked closely alongside countless selfless volunteers who serve as the vital bridge between disadvantaged individuals and essential services. Community volunteers rarely seek the spotlight, yet their dedication forms the backbone of a compassionate and functional society. I would welcome joining a team dedicated to identifying, recognising, and celebrating these extraordinary contributors. My background equips me to bring several key strengths to the working group: • Deep Insight into Systemic Impact; addressing genuine structural barriers and community needs. • An Equity and Inclusion Lens through decades of human rights advocacy. • Objectivity and Sound Judgement: My legal training provides a rigorous, fair, and impartial framework for assessing nominations against selection criteria while maintaining the highest standards of confidentiality and integrity.
Cr Di Florio	I am nominating as a Committee Member for the Community and Volunteer Awards Working Group, as I believe volunteers are the foundation of many successful community initiatives with their commitment and passion making a significant difference to the wellbeing and resilience of communities such as ours. Recognising community achievements is equally important, as it honours the efforts of individuals and organisations, fosters a culture of appreciation, and encourages ongoing community participation. Celebrating success not only acknowledges past contributions but also motivates future leadership and volunteer involvement. I have experience in assessing applications with impartiality and attention to detail and am committed to evaluating each application objectively against relevant criteria, ensuring fairness, consistency throughout the decision-making process.

Cr McCarthy	I've seen how much Glenorchy relies on volunteers across sporting clubs, community groups and local events. A lot of that work happens behind the scenes, and the people doing it aren't always the ones who get nominated. I'd bring my experience working with local organisations and help get the word out so smaller groups and people Council doesn't often hear from have a chance to nominate someone.

Recommendations

48. NOTE that the Mayor is a member of the Glenorchy Community and Volunteer Awards Working Group under its Terms of Reference.

49. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the two members-elect for appointment to the Glenorchy Community and Volunteer Awards Working Group.

Safer City Working Group	
Committee type	Internal Council working group
Committee composition	2 Councillors, relevant Council officers and other members appointed by invitation or expression of interest, including subject matter experts where required.
No. of Councillor positions	2 Councillors
Meeting frequency	Minimum of 4 per year
Ex-officio appointments	Not applicable
Proposed term of appointment	End of current Council term, subject to review in July 2028
Role and purpose	To engage with the community, experts and key organisations to provide Council with information and advice on community safety, antisocial behaviour and related service planning.
Nature of duties	Attend meetings, engage with relevant community organisations and subject matter experts, consider community safety issues and provide information and advice to Council.
Extent of delegated authority	No delegated authority.

Nominations received

50. Council received four nominations for the two positions available on the Safer City Working Group. The nominees for the positions are:

- Councillor Mala Crew
- Councillor Marilena Di Florio
- Councillor Kelly Sims
- Councillor Stuart Slade

Cr Crew	I am the author of the Hate Crimes Petition to Parliament, which successfully lobbied for amendments to Section 11B of the Sentencing Act following the hate-related drowning death of a young Indian student. My petition advocated for mandatory therapeutic intervention and mentorship to promote meaningful rehabilitation. I also authored the successful Glenorchy CBD Crimes Petition, securing real-time CCTV linked to Tasmania Police and increased peak-hour patrols. As a connected Glenorchy community member, I closely follow local trends and maintain regular contact with Inspector Klug. I also serve on the Networking for Harmony working group on crime and reporting trends alongside TasPol's Community Liaison Inspector and the Office of the Anti-Discrimination Commissioner. I would welcome the opportunity to continue this community safety work through this group.
Cr Di Florio	I would like to nominate as a committee member for the Safer City Working Group as I am passionate about contributing to initiatives that enhance community safety and wellbeing. I am committed to collaborating with others, sharing ideas and supporting practical solutions that create a safer and more inclusive environment for residents and visitors to Glenorchy. Serving on the committee would provide an opportunity to contribute my skills and experience while to deliver positive outcomes.
Cr Sims	As Deputy Mayor, returning councillor and qualified education consultant, I bring strong community ties, youth advocacy experience, and a practical focus on public safety to the Safer City Working Group. Residents and local businesses across greater Glenorchy deserve to feel confident and secure in our public spaces. My platform is built on proactive neighbourhood maintenance, visible accountability, and genuine local consultation, the very principles that align directly with the Working Group's blend of smart infrastructure, business support, and crime prevention. Having previously served on Council's Youth Task Force and Healthy Communities Committee, I understand that lasting safety requires both strong partnerships with Tasmania Police and positive, supported pathways for our young people. I am committed to driving practical, collaborative solutions that keep our suburbs safe and welcoming.
Cr Slade	I am nominating for the SCWG based on the following: 1. Former Chair in last Council having only formed in 2024 and fully understand Council's Terms of Reference in particular its Principles and Purpose. 2. Being a former Police Sergeant (Tasmania Police State Crime Co-ordinator) and a long-term Glenorchy City Council Elected Member, I've acquired sound knowledge and skills in creating 'Safer Cities'. I have undertaken, written and monitored many Security/Safer Risk Assessments for Government and Non-Government organisations. 3. I have studied and obtained formal Risk Management qualifications through QUT. 4. I have the time to attend SCWG and any other associated meetings.

Recommendations

51. Under Part 3, clause 7 of the Policy, CONDUCT a ballot to determine the two members-elect for appointment to the Safer City Working Group.

Mayor as Representative on authorities and bodies

52. At its 24 June 2024 meeting Council made the following resolution:

    That Council:

GLENORCHY CITY COUNCIL

September 2023

POLICY STATEMENT

From time to time, Council is required to appoint Elected Members and independent persons to Committees and External Bodies.

PART 1 – NOMINATIONS AND APPOINTMENTS OF ELECTED MEMBERS

Appointments Following Council Election

Council will appoint and re-appoint (and, where necessary, nominate or re-nominate) Elected Members to Committees and External Bodies at the first ordinary meeting of council following a council election (or at a special meeting of Council if a special meeting for that purpose is called).

Procedure

1. Where it is necessary to appoint Elected Members to Committees (including as a result of a casual vacancy), the General Manager will circulate a notice to Elected Members which—

   (a) notifies Elected Members that appointments, re-appointments, and nominations for appointment to Committees and External Bodies are to be made at the relevant meeting, and

   (b) lists the appointments and nominations to be made, and, for each, identifies—

      i) the Committee or External Body

      ii) the position available (including, for an External Body, whether Council will be making a nomination only)

      iii) the nature of the duties to be undertaken

      iv) the proposed term of the appointment

      v) whether the position is to be held ex-officio by the Mayor or Deputy Mayor, and

      vi) any other information the General Manager considers relevant.

   (c) requests that Elected Members submit nominations for the available positions one (1) week before the next council meeting.

2. The notice is to be circulated to all Elected Members by email no later than five days before nominations close (or as soon as practicable if it is not possible to circulate the notice five days before nominations close), and

3. Nominations may contain a statement in support of the nomination, to a maximum of 150 words.

4. Nominations may be for a position or a proxy position.

5. The General Manager will present a report to Council for consideration at the relevant council meeting which will contain, for each available position a list of the nominations received, and the documentation provided in support of each.

6. Where the number of nominees for a position does not exceed the number of positions available, the Council will determine the appointment in accordance with its ordinary meeting procedures.

7. If the number of nominees for a position exceeds the number of positions available—

   (a) a ballot will be held to select the appointee or appointees (or nominees for a position on an External Body, if applicable), and

   (b) once the result of the ballot is determined, the chair will call for the appointment to be confirmed in accordance with Council's ordinary meeting procedures.

8. Where Council's nominee for a position on an External Body is required to be confirmed by the External Body, the General Manager is to write to the External Body advising it of Council's decision.

9. For the avoidance of doubt, where a Committee detail sheet that has previously been adopted by Council provides for a position to be held ex officio by the Mayor or the Deputy Mayor, the appointment of the Mayor or Deputy Mayor to that position is automatic, and no other Elected Members are entitled to nominate for that position.

PART 2 – NOMINATIONS AND APPOINTMENTS OF INDEPENDENT PERSONS OR SUBJECT MATTER EXPERTS

Procedure

1. Where there is a vacancy for the position of an independent person or subject matter expert on a Committee or External Body, the General Manager is to circulate a notice calling for expressions of interest for appointment, containing the information specified in clause 2(1)(b)—

2. The notice is to be circulated by—

   (a) publishing the notice on Council's website

   (b) sending an email to all Council staff, and

   (c) if the General Manager considers it necessary, publishing the notice in a local newspaper.

3. The General Manager must circulate the notice under 3(1) no later than five days before nominations close (or as soon as practicable if it is not possible to circulate the notice five days before nominations close).

4. Following the receipt of nominations, the appointment of the independent person is to be determined in accordance with the procedure set out in the Committee's Terms of Reference.

5. For nominations or appointments to External Bodies, or if no procedure is specified in the Committee detail sheet, the General Manager will assess each nomination on its merits and will make a recommendation to

Council seeking Council's endorsement and nomination or appointment (as applicable) of the preferred nominee.

PART 3 – BALLOTS

Application

Where the provisions of this policy require that a ballot is held, the ballot is to be conducted in accordance with this part.

Rules for Ballots

1. When a ballot is required under this policy, the chair of the council meeting will call a ballot.
2. Ballots are to be secret unless Council resolves otherwise.
3. Votes are to be cast on ballot papers distributed to Elected Members by the General Manager. Ballot papers may be distributed either prior to or at the relevant council meeting.
4. Elected Members are to place completed ballot papers in a ballot box which is to be visible to all attendees of the Council meeting during the process of casting the ballots.
5. The ballot box must not be opened until all Elected Members who intend to vote have cast their votes.
6. Votes will be counted by a Council officer nominated by the General Manager, with another Council officer acting as a scrutineer.
7. Where there are—
   (a) two or more candidates for a single position, the candidate with the most votes will be the appointee, or
   (b) more than two candidates for multiple positions (for example, two member spots on a council Committee), the successful candidates will be the candidates with the most votes, in descending order until the number of positions have been filled. For example, if there are 2 positions and 4 candidates, the successful candidates will be those with the highest and second highest number of votes.
8. The officer who counts the votes will advise the chair of the council meeting by writing the name of the successful candidate/s on a piece of paper and delivering it to the chair.
9. In the event of a tie, the chair (at their discretion) may determine the winner by:
   (a) the toss of a coin (conducted by the chair), or
   (b) a further ballot, in which the only candidates are those which were tied in the first ballot.
10. All ballot papers and other ballot material are to be destroyed as soon as practicable after the conclusion of the ballot.

Proxies

1. Where proxy positions for Committees or External Bodies are available, unsuccessful candidates will be offered the position of proxy in the order in which they placed in the ballot.

2. Where a proxy is required but there are not sufficient candidates for a proxy after positions have been filled, or if all unsuccessful candidates decline the proxy appointment, the chair may call for nominations for proxy positions.

3. Where the chair has called for nominations in accordance with subclause (2), the selection of the nominees is to be determined in accordance with Council's ordinary meeting procedures.

MISCELLANEOUS

Vacation of Positions on Leaving Office

An Elected Member's appointment to a Committee or External Body will cease immediately upon the person ceasing, for any reason, to be an Elected Member.

Nominations Need not be Personal

To avoid any doubt, a person may nominate another person for a position the subject of this policy, and the nomination need not be made by the person seeking nomination.

Refusal of Nominations or Appointments

1. An Elected Member or independent person may refuse any nomination or appointment made under this policy, including nomination or appointment as a proxy.

2. Council may refuse to appoint or nominate a person (including an Elected Member) to a position if it considers that the person is not suitably qualified for or is otherwise unable to provide satisfactory representation on the Committee or External Body.

Inconsistency with Meeting Procedures Regulations

If a provision of this policy is inconsistent with the Regulations, the Regulations will prevail to the extent of the inconsistency.

Attendance and Performance

If an Elected Member's attendance record at Committee or External Body meetings is unsatisfactory, or if Council receives notification from a Committee or External Body that the Elected Member is not properly discharging the duties required of the position, Council may resolve to withdraw the Elected Member's appointment and appoint another Elected Member as a replacement.

GLENORCHY CITY COUNCIL

September 2023

BACKGROUND

Council has established and maintains control over multiple Committees, special Committees, working groups, steering Committees, task forces and other bodies to assist in discharging its role and functions. Council is also, required to appoint (or nominate) representatives to External Bodies.

In making any nomination or appointment, Council must ensure that the process for determining appointees and nominees is fair, democratic, and transparent.

11.4 COUNCIL AND COUNCIL COMMITTEE MEETING DATES AND TIMES 2027

Author: Coordinator Executive and Strategy (Tim Douglass)

Qualified Person: Chief Executive Officer (Emilio Reale)

File Reference: Council Meetings

Executive Summary

This report presents the proposed schedule of Council, Glenorchy Planning Authority (GPA), Annual General Meeting (AGM), and Chief Executive Officer's Performance Review Committee (CEOPRC) meetings for 2027, in accordance with the requirements of the Local Government (Meeting Procedures) Regulations 2025. The Regulations require Council to determine the commencement times of its meetings, review those times following each ordinary election, and publish the times and places of ordinary meetings for the next 12 months.

The meeting schedule for 2027 maintains Council's established practice of holding ordinary meetings on the last Monday of each month at 3:30pm, a format that continues to be well received by the community, particularly with the availability of live streaming and recorded meeting content. Three variations to the standard schedule are proposed to accommodate the Australia Day public holiday in January, Easter Monday public holiday in March and the end-of-year shutdown period in December.

The proposed dates for the GPA meetings follow the Committee's current monthly schedule and reflect its requirement to commence meetings at or after 3:30pm.

The 2027 AGM is proposed for Monday, 6 December 2027 at 6:00pm, allowing adequate separation from the preceding GPA meeting.

The CEOPRC meeting is also scheduled for 2027, consistent with its annual review obligations.

The rationale for retaining the current meeting commencement times reflects three key considerations: accessibility for the community, the need to support effective and timely decision-making, and the importance of maintaining an appropriate work–life balance for Councillors and staff. There is also a consideration of the cost of overtime and meal allowances for staff who are required to attend the meeting. Since the commencement of live streaming and ability to watch recordings at any time, evening attendance of community members dropped to 1 or 2 attendees. The proposed schedule provides continuity, supports operational efficiency, and aligns with community expectations.

Subject to Council approval, the Chief Executive Officer will publish the meeting schedule in The Mercury and on Council's website in accordance with regulatory requirements.

Recommendation

That Council:

1. REVIEW, in accordance with regulation 7(2) of the Local Government (Meeting Procedures) Regulations 2025, the commencement times of Council meetings following the 2026 ordinary election
2. ADOPT the dates and times for ordinary Council meetings, the Annual General Meeting, Glenorchy Planning Authority meetings, and the Chief Executive Officer's Performance Review Committee meeting for the 2027 calendar year as set out in Tables 1, 2, 3 and 4 of this report
3. NOTE that a public notice containing the times and places of the ordinary Council meetings and Glenorchy Planning Authority meetings will be published in accordance with regulation 9(2) of the Local Government (Meeting Procedures) Regulations 2025.
4. NOTE that, in accordance with regulation 7(2) of the Local Government (Meeting Procedures) Regulations 2025, the Glenorchy Planning Authority and Chief Executive Officer's Performance Review Committee are required to review the commencement times of their meetings following the 2026 ordinary election.

Community Plan Reference	Leading Our Community We are a leader and partner that acts with integrity and upholds our community's best interests.
Strategic Plan Reference	Communicate effectively with our community and stakeholders about what Council is doing. Make informed decisions that are open and transparent and in the best interests of our community.
Consultation/ Engagement	Councillors Executive Leadership Team Manager Development Coordinator Planning Services Stakeholder and Executive Officers
Resources	Not applicable
Risk/Legal/ Legislative/ Reputational	The adoption of the 2027 meeting schedule presents minimal organisational or governance risk. The primary risks relate to regulatory non-compliance, community accessibility, and operational continuity. These risks are mitigated through adherence to the Local Government (Meeting Procedures) Regulations 2025, maintaining consistent and predictable meeting times, and ensuring early publication of the annual schedule. Minor scheduling variations in January, March and December have been designed to avoid public holidays and end-of-year shutdown periods, reducing the likelihood of quorum issues, meeting clashes, or reduced community engagement. Overall, the recommended meeting schedule provides a low-risk, stable, and transparent framework for Council decision-making throughout 2027.
26/27 Budget Allocation	Not applicable
Life of Project, Service, Initiative or (Expectancy of) Asset	Not applicable
26/27 Budget Reconsideration	Not applicable
Ongoing Costs (e.g. maintenance, operational)	Not applicable
Other Funding Sources	Not applicable

Proposal in detail

1. The *Local Government (Meeting Procedures) Regulations 2025* (the Regulations) set requirements relating to meeting commencement times and the publication of meeting times and places:

   - Regulation 7(1):

     A meeting is not to start before 5:00 p.m. unless otherwise determined by the council by absolute majority or by the council committee by simple majority.

   - Regulation 7(2):

     After each ordinary election, a council and a council committee are to review the times of commencement of their meetings.

   - Regulation 9(2):

     At least once in each year, the general manager is to publish in a daily newspaper, or in a prescribed newspaper, circulating in the relevant municipal area a notice containing –

     (a) the times and places of the ordinary council meetings for the next 12 months; and

     (b) the times and places, as known, of the council committee meetings for the next 12 months.

2. This report seeks Council's adoption of 2027 meeting dates and times for publication in The Mercury newspaper and on Council's website.

3. Council Workshops are not governed by the Regulations and are therefore not included in this report. Generally, Council Workshops are scheduled for the remaining Monday afternoons at 3:30 pm, and after GPA meetings at 4:30 pm. However, they may also be scheduled at other times to accommodate specific topics.

Proposed Ordinary Council Meeting Dates and Times

4. Table 1 - The proposed Council meeting dates for 2027 are:

Meeting	Day	Date	Start time
Council	Wednesday	27 January 2027	3:30 pm
Council	Monday	22 February 2027	3:30 pm
Council	Monday	22 March 2027	3:30 pm
Council	Monday	26 April 2027	3:30 pm
Council	Monday	31 May 2027	3:30 pm
Council	Monday	28 June 2027	3:30 pm
Council	Monday	26 July 2027	3:30 pm
Council	Monday	30 August 2027	3:30 pm
Council	Monday	27 September 2027	3:30 pm
Council	Monday	25 October 2027	3:30 pm
Council	Monday	29 November 2027	3:30 pm
Council	Monday	20 December 2027	3:30 pm

5. Council meetings are generally proposed for the last Monday of each month in 2027, consistent with previous years and supporting regular monthly financial reporting to Council.

6. There are three exceptions proposed:

- January: The meeting will be held on Wednesday, 27 January, to avoid scheduling it immediately before the Australia Day public holiday.
- March: The meeting will be held on Monday, 22 March, rather than Monday, 29 March, which falls on the Easter Monday public holiday.
- December: The meeting will be held on Monday, 20 December, rather than Monday, 27 December, which falls during Council's end-of-year shutdown period.

Proposed Annual General Meeting (AGM) Meeting Date and Time

7. Table 2 - The proposed Council AGM meeting date and time for 2027 is:

Meeting	Day	Date	Start time
AGM	Monday	6 December 2027	6:00 pm

8. A 6:00 pm start time has been proposed to accommodate a 3:30 pm GPA meeting beforehand.

9. Council has received feedback that its practice of holding Council meetings on the last Monday of each month, and the process of live streaming and recording meetings has been well received by the community.

10. Meetings will continue to be live streamed and recorded for the public during 2027. Notice of meetings in the form adopted by Council will be advertised in accordance with the regulations.

Proposed Glenorchy Planning Authority (GPA) Meeting Dates and Times

11. The GPA is a council committee established under section 23 of the *Local Government Act 1993*.

12. At the December 2022 Council meeting, Council resolved to commence its ordinary GPA meetings at 3:30 pm as required. Under the current Terms of Reference, GPA meetings are held monthly.

13. Table 3 — The proposed GPA meeting dates for 2027 are:

Meeting	Day	Date	Start time
Glenorchy Planning Authority	Monday	18 January 2027	3:30 pm
Glenorchy Planning Authority	Monday	15 February 2027	3:30 pm
Glenorchy Planning Authority	Monday	15 March 2027	3:30 pm

Proposed Chief Executive Officer's Performance Review Committee (CEOPRC) Meeting Date and Time

14. Table 4 — The proposed Chief Executive Officer's Performance Review Committee meeting date and time for 2027 is:

Meeting	Day	Date	Start time
CEOPRC	Tuesday	21 September 2027	4:00 pm

15. Meetings of the Chief Executive Officer's Performance Review Committee are closed to the public.

Rationale for Proposed Meeting Start Times

16. At the Council Workshop on 14 November 2022, Elected Members were asked to consider meeting days/times. The majority confirmed that the existing arrangements of Monday meetings were suitable and what the community was accustomed to.

17. At its 9 December 2022 meeting, Council determined to commence 2023 Council meetings at 3:30 pm.

18. The Council meeting start time needs to balance the needs of a variety of stakeholders.

19. There are three key considerations when determining the start time for Council and Council committee meetings. These are:

    - Does the community have access to view Council meetings and ask questions of its Councillors?
    - Is the meeting time conducive to good decision making?
    - Does the meeting time help to strike responsible work-life balance for Councillors, members of the community, and staff who attend and support meetings?

20. Continuing with a 3:30 pm start time for 2027 Council meetings is proposed based on the following:

    - Livestreaming and recording of Council meetings is available for members of the community to view.
    - There is generally a low level of physical attendance by community members at Council meetings, and this has not materially changed since commencing with a 3:30 pm start time.
    - Community members can continue to ask questions on notice without the need to attend the meeting in person.
    - Productivity is enhanced by reducing the risk of Council meetings extending late into the evening, when fatigue impairs efficiency and good decision making.
    - Work-life balance is better maintained for Councillors and staff.

- Consideration of the cost of overtime and meal allowances for staff who are required to attend the meeting.
- Since the commencement of live streaming and ability to watch recordings at any time, evening attendance of community members dropped to one or two attendees.

Public Notice of 2027 Meeting Dates

21. If the proposed meeting dates and times are adopted by Council, the Chief Executive Officer will ensure that a public notice containing the times and places of the ordinary Council meetings and GPA meetings is published in The Mercury in accordance with the Regulations.
22. Meeting dates will also be published on Council's website and through other channels, as appropriate.

11.5 NOTICE OF MOTION - COMMUNITY SAFETY

Author: Chief Executive Officer (Emilio Reale)

Qualified Person: Chief Executive Officer (Emilio Reale)

File Reference: Notice of Motion – Cr. Yaxley

Motion – Councillor Yaxley

That Council:

1. ARRANGE an Open Council Workshop on Community Safety, inviting Inspector Jason Klug or an appropriate senior representative of Tasmania Police to present current trends, identified areas of concern and the outcomes and ongoing work of Taskforce Respect and other policing initiatives, with the workshop to be held by 28 February 2027, subject to the availability of Tasmania Police.
2. INSTRUCT the Mayor to write to the Minister for Police, Fire and Emergency Management, Felix Ellis MP, by 18 December 2026, inviting him to participate in the proposed workshop to discuss the State Government response, policing resources and opportunities for greater cooperation between Council, Tasmania Police and the State Government.
3. REQUEST that Tasmania Police provide available Glenorchy-specific family violence statistics, including reported incidents and breaches of family violence orders, subject to appropriate privacy, confidentiality and data-quality considerations, for presentation at the workshop.

Councillor Yaxley Rationale:

Supporting Reasons and Data:

Community safety continues to be a significant issue across Glenorchy, particularly following recent incidents in our community.

Policing is a State Government responsibility, but recent amendments to the Local Government Act 1993, particularly section 19A, expressly recognise Council's role in supporting and improving community wellbeing, including representing and advocating for the needs and interests of our community.

That means listening to our community, understanding the issues and working alongside other levels of government to help find practical solutions.

In July 2025, Tasmania Police publicly reported a 16% reduction in total offences across the Glenorchy police division, including a 21% reduction in youth offending. Around that time, Tasmania Police had also introduced Taskforce Respect, increasing visible policing and targeting antisocial behaviour, retail crime and repeat offenders across Glenorchy, Moonah and Claremont.

Those results were encouraging and demonstrated the value of coordinated action between Tasmania Police, Council and the broader community.

However, the latest Tasmania Police dashboard data shows a change in the more recent local trend.

Comparing July to October 2025 with July to October 2026 across the Glenorchy municipality:

- Total recorded offences increased from 1,221 to 1,439, an increase of 17.9%
- Public order incidents increased from 704 to 1,011, an increase of 43.6%
- Public place assaults increased from 29 to 50, an increase of 72.4%
- Recorded assaults increased from 114 to 144, an increase of 26.3%
- Serious crime remained relatively stable, increasing from 36 to 37
- Robbery offences decreased from 16 to 13
- Stolen motor vehicle offences decreased slightly from 75 to 72

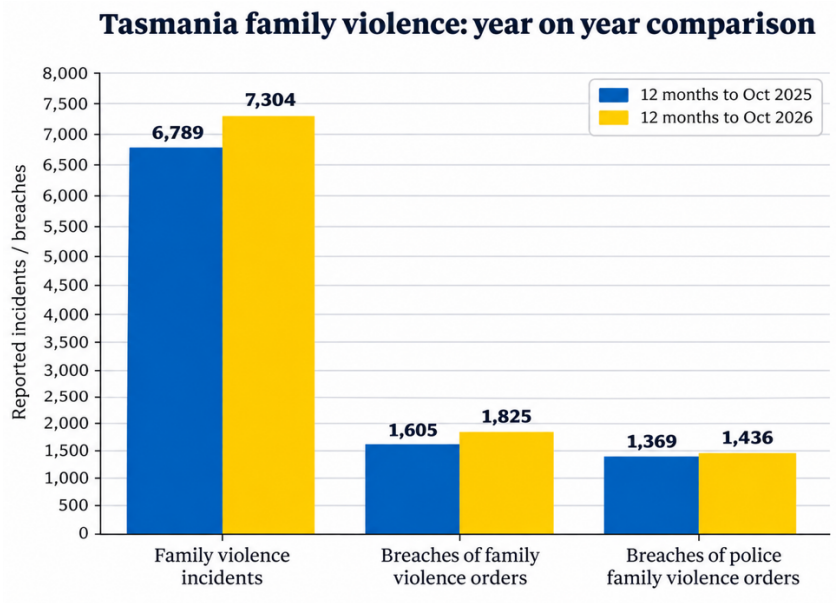
Family violence is another significant community safety concern and important part of the broader safety picture.

The Tasmania Police Safe Homes Dashboard shows the following changes across Tasmania, comparing the 12 months ending October 2025 with the 12 months ending October 2026:

- Family violence incidents increased by 7.6%, from 6,789 to 7,304.
- Breaches of family violence orders increased by 13.7%, from 1,605 to 1,825.
- Breaches of police family violence orders increased by 4.9%, from 1,369 to 1,436

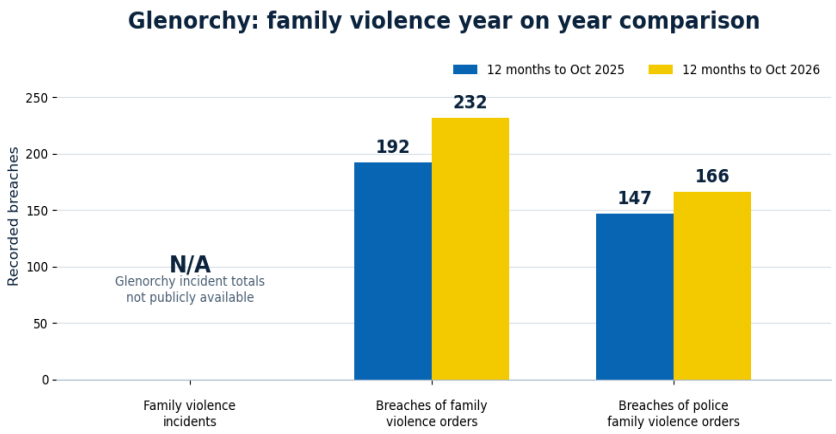


Source: Tasmania Police Safe Homes Dashboard. Tasmania statewide, 12 months ending October 2025 and October 2026.

Unfortunately, the publicly available family violence incident data is not broken down by individual council area. However, data relating to breaches of family violence orders is available at a local level.

Across the Glenorchy municipality, comparing the same 12 month periods:

- Breaches of family violence orders increased by 20.8%, from 192 to 232.
- Breaches of police family violence orders increased by 12.9%, from 147 to 166.



Source: Tasmania Police Safe Homes Dashboard. Glenorchy LGA, 12 months ending October 2025 and October 2026.

Glenorchy City Council has already taken an important first step in raising awareness of family violence through the installation of the Red Bench outside Council Chambers, in partnership with the Lions Club of Glenorchy City and the Red Rose Foundation.

That was an important statement of support and awareness, but I believe we now need to take this to another level, moving beyond awareness to stronger advocacy, meaningful partnerships and practical initiatives that help prevent family violence and support those affected.

The latest crime figures reinforce why community safety deserves greater attention from Council and the State Government. They also reflect concerns being raised consistently by residents across our municipality.

The progress reported 16 months ago was welcome and deserves recognition, but we cannot rely on those results alone to understand today's challenges. We need to remain informed, responsive and connected to what is happening in our community right now.

This motion is not about questioning the commitment of Tasmania Police or shifting responsibility for policing onto Council. It is about bringing the right people together, understanding what the latest evidence tells us, assessing what is working and identifying where further action is needed.

Open Council Workshops are an important part of transparency and community engagement. They provide an opportunity for residents to hear directly from those responsible, better understand the issues, ask questions and be part of an informed conversation about matters affecting their community.

Our community deserves current information, open discussion and a coordinated response that reflects the challenges we face today.

Council also has a responsibility to listen, advocate and contribute where it can. This workshop provides an opportunity to put that responsibility into practice, with a clear focus on improving community safety and wellbeing across Glenorchy.

Administration Response to Notice of Motion:

Open Community Safety Workshop

1. Officers support the proposed workshop. It can be arranged within existing resources, subject to Council's decision, the availability of Tasmania Police and the Council workshop program. The proposed date of 28 February 2027 should remain subject to those practical considerations, and Tasmania Police should be able to nominate an appropriately senior representative to attend.
2. The workshop should be an information and partnership forum rather than an operational briefing. Relevant topics could include current offence trends, youth offending and antisocial behaviour, public-place and retail offending, Taskforce Respect, policing priorities and practical opportunities for prevention and cooperation.
3. To support an evidence-based discussion, Tasmania Police could explain the definitions, geographic boundaries, comparison periods and methodology

applying to the information presented, including any changes in reporting or recording practices which may affect the figures.

4. Officers would liaise with Tasmania Police beforehand to agree the scope and public content of the presentation. Any follow-up proposals should be assessed separately and returned to Council for consideration.

Mayoral correspondence to the Minister

5. Officers support the proposed mayoral correspondence. Subject to Council adopting the motion, the letter can be prepared and issued by 18 December 2026. It should invite the Minister to attend the workshop or nominate an appropriately senior representative able to address State Government policy, policing resources and opportunities for cooperation.
6. The letter should acknowledge that policing, investigation and enforcement remain responsibilities of the State Government and Tasmania Police. This will help keep expectations about Council's role clear.
7. The correspondence should briefly outline the purpose of the open workshop and request information on the Government's current response, policing priorities, prevention initiatives and opportunities for improved coordination with Council and local service providers.

Glenorchy-specific family violence information

8. Officers support requesting further Glenorchy-specific family violence information, subject to availability, privacy, confidentiality and data-quality limitations. Public information does not presently provide a complete set of family violence incident data at individual council level, so Tasmania Police may be able to provide only aggregated figures, selected breach categories or contextual information.
9. The request should distinguish between reports, recorded incidents, offences, breaches, charges and court outcomes, as these measures are not interchangeable. Tasmania Police could also confirm the geographic area, reporting period and any limitations affecting comparison of the figures.
10. There is an understanding that information presented publicly will be aggregated and de-identified, with Tasmania Police determining what can appropriately be released. The workshop material would use sensitive, trauma-informed language and recognise that recorded data does not necessarily reflect the full prevalence of family violence.
11. Council's role remains focused on awareness, advocacy, community connection and partnership rather than duplicating specialist family violence or crisis-response services. Relevant referral and support pathways should be identified as part of the workshop.
12. If potential Council initiatives arise, they should be assessed separately against Council's role, service capability, costs and risks before any commitment is made.

Council's Existing Community Safety and Wellbeing Initiatives

13. Council is already undertaking a range of practical initiatives that contribute to community safety, wellbeing and the presentation of Glenorchy's public spaces. These measures complement, but do not replace, the policing responsibilities of Tasmania Police and the State Government.

    - **Glenorchy Youth Hub:** Council operates a safe and welcoming space for young people, including weekday after-school drop-in sessions and structured daytime programs and group bookings. The Hub works with schools, flexible learning providers, youth services and community organisations to support education engagement, mentoring, wellbeing, recreation and pathways to training and employment. During the first quarter of 2026-27, the Hub delivered 65 after-school sessions with 3,231 attendances and hosted 31 daytime visits and group bookings involving about 211 participants.
    - **Youth outreach and early intervention:** Programs including Creative Spark, Full Gear, the Intergenerational Friendship Hub and school-based activities provide positive engagement and trusted connections for young people. Partner organisations also attend or support Hub activities, helping connect young people with health, education, diversion and employment services.
    - **Security and visible presence:** Council engages security personnel around the Council lawns and adjoining civic areas to provide a visible presence, engage with the community and respond to incidents within the limits of their role. Security hours have been adjusted to provide coverage through the afternoon and early evening, including the period when workers are leaving the CBD and young people may remain nearby after the Youth Hub closes.
    - **City cleansing and graffiti management:** Council has increased footpath cleansing across Glenorchy, Moonah and Claremont CBDs and uses a dedicated footpath sweeper alongside litter collection, general cleaning and public-space maintenance. Council's graffiti program includes targeted removal, free removal kits and practical assistance for affected residents and businesses. Clean and well-maintained public spaces support community pride and can improve perceptions of safety.
    - **Glenorchy Jobs Hub:** The Jobs Hub provides free, locally based employment assistance, including help with resumes, applications, interview preparation, training referrals and connections with employers. Between July 2025 and June 2026, it supported 288 people into employment and made approximately 280 training referrals. It also works with the Youth Hub to connect young people with employment and training pathways.
    - **Partnership and advocacy:** Council continues to work with Tasmania Police, government agencies, Mission Australia YouthBeat, the Salvation Army's Streets to Home program and other service providers on community safety, homelessness, prevention and inclusion. Council also maintains regular engagement with senior Tasmania Police representatives and advocates to

the State Government on policing, youth support and related community priorities.

14. Taken together, these initiatives show that Council's contribution is broader than responding to individual incidents. It includes a focus on prevention, early intervention, service connection, employment pathways, public-space activation, cleanliness, visible guardianship and advocacy. The proposed workshop would provide an opportunity to review these measures alongside current police information and identify where coordination could be strengthened.
