INTRODUCTION

Welcome to Council's Annual Plan for 2017/18 – 2020/21.

This Annual Plan is based on year four of our Long Term Financial Management Plan from 2014/15 to 2023/24. As part of the LTFMP, Council continues its aim to 'balance the books' and this year budgeted for a small deficit of less than \$0.5 million. However, early receipt of a 2017/18 Financial Assistance Grant instalment from the Federal Government in June 2017 has reduced forecast 2017/18 revenue by \$1.17 million; leading to a larger deficit than planned.

The number of new actions in this Annual Plan has been restricted to those of high priority, given the need to prudently plan for Council's financial sustainability.

Council's high priority actions include:

- Development of a Masterplan for Tolosa Park
- Development and implementation of a communications strategy
- Fostering and supporting Moonah Taste of the World Festival & community events
- Maintenance and review of Emergency Management strategies & bushfire risks
- Management of the City's transport network
- Continuing to operate Council's child care centres

We are now in our second year of Council's new approach to long term planning.

Council's Annual Plan actions are aligned with our Strategic Plan and, more importantly, with the goals expressed by the community in the City of Glenorchy Community Plan 2015-2040.

This Annual Plan has a four year, rolling time horizon – enabling Council to conduct its operational planning for the medium term. This year we have 92 actions of which 83 are planned to be actioned during the 2017/18 year.

This Annual Plan shows that we will proudly continue to deliver our community's vital local government services, including waste management, capital works, asset maintenance, community development, parks and recreation, environmental and public health, animal management, planning, building & plumbing, service co-ordination, arts and cultural activities; this year and into the future.

This Annual Plan 2017/18 – 2020/21 ensures Council's focus is on our City's vision:

We are a proud city; a city of arts; of opportunity; of partnerships; a city that makes exciting things happen.

Council will do this by delivering on our Mission;

Glenorchy City Council will be a leader in local government, representing its local community and ensuring best value services.
